The Walnut Grove Romance Series Boxed Set Cindy Baker, A boxed set of the three books in the Walnut Grove Romance series 1 We Can Laugh Together Too 2 His Past Came Calling 3 No Smoke Without Fire Each book in the trilogy follows young widow Livi as she meets and falls in love with Matt a veterinarian. They first meet when he arrives at the California horse farm she's struggling to run single handed following the tragic death of her husband and their farm manager in a road accident. We Can Laugh Together Too A year ago Livi was tragically widowed and faced with the daunting prospect of running a thoroughbred horse farm alone. Matt is a veterinarian with a reputation for unreliability. Livi and Matt are brought together by an injured foal. Despite the fact that neither of them is interested in embarking on any kind of a romance a growing mutual attraction is undeniable. Both support each other as even further complications develop. But Matt is only working locally temporarily he'll soon be gone. The setting for this romance series is the beautiful Santa Ynez Valley as well as the wild Central California Coast. With a great descriptive talent Cindy Baker takes her readers by the hand and molds them into the scenery as they follow the story in the second chance romance. Will a love story develop. Will Matt move on leaving Livi behind. This contemporary romance novel has been described as a great story that allows you curl up and escape into on a cozy evening. What more do you need to tug at your heartstrings than a handsome veterinarian in sexy scrubs and a young widowed mother struggling to survive. His Past Came Calling Escape to California's beautiful Santa Ynez Valley and follow the heartwarming love story between Livi widowed with a young daughter and Matt the handsome vet who befriended her then set out to win her broken heart. This is the second book in the Walnut Grove Series. The first book We Can Laugh Together Too quickly earned the following impressive review. After meeting and falling in love with locum veterinarian Dr Matt Allen recently widowed Livi Leonard thought the seemingly insurmountable trials and tribulations that had been dogging her life for the past year were at last over. But this proves not to be the case. Livi's fifteen year old daughter Chrissy vanishes without trace while riding her newly acquired horse in the foothills of the San Rafael Mountains bordering the farm where they live and the investigating detectives seem to view Matt as their prime suspect. Far from ceasing Livi's problems seem to be escalating. Surely the man she adores and she believes adores her could not turn out to be so calculating and deceiving. No Smoke Without Fire After the trauma of her daughter Chrissy being abducted by Karen her new love's jealous ex partner Livi hopes her life in the idyllic setting of California's Santa Ynez Valley may finally settle down. This is not to be. Karen continues to explore ways to torment Livi with the clear intention of driving Livi and Matt apart. But the love for each other that Livi and Matt discovered endures and grows stronger. Karen's plotting does not overcome the bonds they've forged. This contemporary adult romance novel has been described as a great story that allows you curl up and escape into on a cozy evening. It's the first novel in the Walnut Grove second chances trilogy. What more do you need to tug at your heartstrings than a handsome veterinarian in sexy scrubs and a young widowed mother struggling to survive. Everyone loves a romance on
