**Hildegard Peplau** Barbara J. Callaway, 2002-06-18 Hildegard Peplau's 50 year career in nursing left an indelible stamp on the profession of nursing and on the lives of the mentally ill in this country. She wore many hats: founder of modern psychiatric nursing, innovative educator, advocate for the mentally ill, proponent of advanced education for nurses, Executive Director and then President of the American Nurses Association, and prolific author. She raised her daughter as a single parent while pursuing an ambitious professional path. Her determined manner often aroused controversy, which never deterred her commitment to advancing the nursing profession. *Hip Deep in Bad Company* Ann Charles, Sam

Lucky, 2024-06-17 I ran freight and wagon trains for years from Missouri to Santa Fe. Courted death from arrows to snake bites, drowning to dysentery, each and every trip. Came through all that only to be dealt a bad hand in Deadwood. Got myself killed here. Now the Grim Reaper is swinging for my boys, too. They're men, actually, and I won't let them end up dead like me. Same goes for their friends Clementine the Amazon and Hank Varney. First thing we need to reckon with that smokey Egyptian devil. His no good henchmen are searching for something underneath the streets of Deadwood. One thing's sure: it's not gold. Second, the Pinkertons tracked my boys all the way to the Black Hills. I figured they would but hoped they wouldn't. The boys will end up in jail yet. Not so long ago, Deadwood seemed like a good place to set up a freight office, but now this place is hip deep in bad company. Sooner or later, the devils around here are going to kill us all. Well, not all unless you can kill a fella twice. I'm a ghost. A specter, some would say. A spirit. A shade. The hallucination of a compromised mind. Whatever moniker you prefer, that's me. Excepting that last one, Uncle Morton. *Digital Media Law* Christopher S. Reed, 2025-12-22

*Digital Media Law* offers a practical guide to the law of media and communication, focusing on digital channels, models and technologies. It draws together the aspects of media law that are most critical for those engaged in the production and distribution of digital media, from traditional broadcasters and internet-based services to major internet platforms. As an expert scholar and educator in media law, Christopher S. Reed brings considerable experience as an in-house lawyer for a U.S. based media company with extensive news, sports and entertainment operations. This blend of practical and scholarly insight delivers a textbook which packs foundational principles and concepts into the context of the digital environment, focusing on how those doctrines are applied in the face of rapidly evolving newsgathering, production and distribution technologies. Now, in its second edition, the book has been fully updated and includes a new chapter on artificial intelligence. It ties legal principles to real-world events or situations, provides insights into digital media policy, and an integrated fictional case study of a media enterprise. This accessible textbook is the ideal companion for advanced undergraduate and graduate students, as well as practitioners interested in law, journalism and media studies. *Murder at Beaulieu Abbey* Cassandra Clark, 2021-05-01 Death and danger await intrepid nun Hildegard of Meaux when she undertakes a secret mission for the good of her Order. In this eleventh action-packed installment of the medieval mystery series, February 1390, Hildegard is given

a special assignment by the Prioress of Swyne to escort a young heiress from Beaulieu Abbey to the northern stronghold of Sir William atte Wood What could be more pleasant than to join a betrothal party especially as she will be accompanied on the long journey to the New Forest by the two monks militant Gregory and Egbert But there is a more urgent and secret purpose for her mission The Western Church is in Schism with two popes battling for power The Cistercians are split between the pope in Rome supported by King Richard and the pope in Avignon an ally of the king s French enemies Which pope will Beaulieu decide to follow England s future depends on it and who better than Hildegard to discover Beaulieu s allegiance But to question such powerful forces brings only death and danger and even her two militant monks may not be enough to save her This action packed page turning medieval mystery is a great choice for fans of holy sleuths like Peter Tremayne s Sister Fidelma and Paul Doherty s Brother Athelstan *Malory and His European Contemporaries* Miriam Edlich-Muth,2014 A reconsideration of Arthurian compilations in the late middle ages looking at the complex ways in which they reshape their material for new audiences The late medieval adaptions and compilations of the Arthurian story are a European phenomenon that has sparked both mystification and controversy Often dismissed as nostalgic recreations that attempt to halt the literary tide these ambitious projects saw adaptors from across Western Europe combining a vast array of prose and verse sources from different languages into encyclopedic narrative chronologies of King Arthur and his court Ranging from ornate verse adaptations to heavily condensed prose works the resulting texts reflect a process of translating cutting and arranging Arthurian material into new literary incarnations which nonetheless retain recognisable versions of the Arthurian story This study re evaluates Malory s *Morte Darthur* and four broadly contemporary European romance collections including Jean Gonnott s French BN fr 112 manuscript Ulrich Fueterer s German *Buch der Abenteuer* the Dutch *Lancelot Compilation* and the Italian *Tavola Ritonda* in the context of this adaptive process In doing so it investigates how the adaptors respond to the shared structural and stylistic challenges of incorporating new material into the well known story of King Arthur and comes to intriguing conclusions about the ways in which the narrative demands of late Arthurian adaptations invited authors to populate the Arthurian court with new and more complex protagonists Miriam Edlich Muth currently teaches Old and Middle English language and literature at the University of Cambridge *The Charm of Evil* Wheeler W. Dixon,1991 Terence Fisher brought the modern Gothic horror film to life in the second half of the twentieth century As director John Carpenter Halloween notes in his introduction Terence Fisher and The Curse of Frankenstein was the beginning of it all for the modern horror film *Fanfare* ,1994 *Directory of Research Grants* ,1994 **Directory of Biomedical and Health Care Grants 1997** Oryx Press Staff,Oryx Publishing,1996 Comprehensive a time saving device for health care researchers grants administrators and others seeking support for sponsored projects ARBA Guarantee easy access to accurate information on funding sources with this new edition featuring 200 completely new sources and over 3 100 updated entries In addition to covering support for postgraduate research and laboratory investigations the Directory
