*Study Guide for the National Counselor Examination and CPCE Counselor Preparation Comprehensive Examination*

Andrew A. Helwig, 2020 The Study Guide for the National Counselor Exam and CPCE has been revised and updated Over 400 pages in length the study guide covers the eight CACREP content areas found on the NCE CPCE and many similar exams The recent NBCC national survey of practicing counselors generated a re alignment of the work domains or context areas NBCC refers to the survey results as a new content outline The overall result is that the NCE and CPCE will become a bit more oriented to clinical mental health issues Other recent revisions to the Study Guide include relational cultural theory changes in workforce trends HIPPA updates initiatives in licensure portability societal stress and the opioid crisis and updates in the use of technology in distance counseling The Study Guide includes two practice exams study tips test taking strategies the ACA Code of Ethics and additional exam prep resources Because the information in the eight content areas is double spaced with considerable outlining of material and the BOLDING of important concepts the Study Guide material is manageable and the book is user friendly
