Chasing Circumstance:

Greatness Don Yaeger, 2011-10-24 GREATNESS is a motivational book whose target audience is found in business and self help It is a life book aimed at inspiring others to achieve their personal and professional best Opening with an in depth discussion of the nature of Greatness what it is what it is not and why it is worth pursuing each subsequent chapter of the book consists of a detailed story illustrating one aspect of Greatness with examples from the sports greats that Don has interviewed over the years This will be followed by a discussion and other related examples There are also practical tips and plans for assisting the reader in implementing new habits routines practices and philosophies of Greatness into his or her daily life As each characteristic is outlined the reader is challenged to look for areas in his or her professional and personal lives that can be improved by embracing these lessons As Don often says during his speeches Though these characteristics are culled from some of the greatest winners in sports not a single one requires you to be able to touch your toes These iconic figures in sports have provided a classroom for us to learn about their pursuit of Greatness You don t have to be good at sports heck you don t even have to like sports to benefit from their lessons It is the strong belief of those who Don has talked to over the years that greatness is available to all of us Not in the same way or on the same field mind you But we all have the capacity to achieve greatness if we ll give the same dedication to these characteristics as do the winners presented and interviewed in GREATNESS **Military, Government and Aerospace Simulation** Kevin J. on a snowy day and then killed it For most people that situation wouldn't just be a problem it would be the last problem they ever faced For Benaiah it was an opportunity to step into his destiny After defeating the lion he landed his dream job as King David's bodyguard and eventually became commander in chief of Israel's army under King Solomon Written in a way that both challenges and encourages this revolutionary book will help unleash the faith and courage you need to identify chase and catch the five hundred pound dreams in your life
