Six years after the initial attack Emlee Dow isn t too worried about the continuing alien presence any longer It s the few humans left who pose a greater threat Food and supplies are hard to come by making survival an ever increasing struggle Luckily she finds refuge in an undiscovered basement room containing enough supplies to last weeks Feeling full and relatively safe Emlee decides to rest while she can She wasn t expecting her world to be turned upside down when she woke Or for the already upside down world to be flipped right side up pre destruction Thrown into the past she meets Mykail and has only days to convince him she s not crazy before history repeats itself or is it the future In these difficult and trying times it s hard to know who to trust Just when you find someone they re lost just as quickly Can love be found again in the future Or is it a thing of the past
