This manual designed for new chaplains explores four dimensions of presence: 1. As the chaplain is present to him/herself with compassion and awareness; 2. Is present to The Presence with sensitivity and authenticity; 3. Moves outward to others with simple, skillful means to help lighten their loads in life; and 4. Helps others to connect more deeply to The Presence in ways that serve their highest good. This is part training manual, part memoir, part prayer book, and part self-care handbook. The author provides practical suggestions for pastoral support and prayer with others, offers bits of wisdom to apply in one's ministry, and uses stories from his pastoral work in detention and hospital ministries to provide concrete examples of ways to apply these ideas. Additionally, this book is meant to help the chaplain nurture his/her own soul through self-care and prayer. *Chaplaincy in Law Enforcement* David W.
