Communication activities: Student's Book pages 138 & 140

- Pairwork. Put students into A and B pairs and ask them to turn to their respective pages and study the photo.
- They then work with their partner and show each other their photo. They describe the similarities and differences between the two photos and decide what links them.
- Refer students to the Useful language box below the exercise to help them.

That people sometimes use animals to work and entertain them.

- Pairwork. Students use the categories in the box to discuss with a partner the different ways animals are used by humans.

Possible answers:
leisure/entertainment: circuses
research: testing on animals for medical purposes or to test cosmetics
security: sniffer dogs to test for drugs or explosives at airports; to protect property
sport: horseracing; greyhound racing; fox hunting
work: dogs for the blind and other disabilities; workhorses to pull carts; mules and camels to carry people's belongings in some countries

- Pairs join up with another pair to compare their ideas in exercise 2. They then discuss the questions.

DID YOU KNOW?

- Pairwork. Students read the information and discuss the questions.
- You could then ask students to report back briefly on anything interesting they heard in their discussions.

Methodology guidelines: Web research tasks, page xiv

Details:
If you have a class that likes dogs, get them to find out what happened at the most recent Crufts dog show. Ask them these questions:
1. Which breed of dog was Best in Show?
2. Can you find a photo of the winner?
3. What were other prizes awarded for?
4. If you want your dog to enter next year, what exactly must it do (or you do) to be accepted?

Flashcards - EBook Debbie S. Robinson, 2023-02-02 Learn to hone your dental assisting knowledge and skills with this bestselling workbook. Featuring reinforcement exercises and application activities that correspond chapter by chapter to the content covered in Robinson's Modern Dental Assisting 14th Edition, this workbook gives you the practice you need to master both dental assisting concepts and practical office skills. The workbook comes with original practice management exercises that correspond to the Dentrix software available on Evolve. Also included are ample content review questions, case applications with questions, detached flash cards, and competency skills evaluation sheets for practice with dental assisting procedures. Seamless content correlation uses activities and exercises that reinforce the chapter content students are currently learning in the main text. Practice and review questions for each chapter include short answer, fill in the blank, multiple choice, and labeling questions to help reinforce students' understanding of terminology and concepts. *Dental Assisting Clinical Externship Guide* provides information and resources to support practicum. Competency skill checklists provide clear guidelines for performing each dental assisting skill and help students evaluate their strengths and weaknesses with pages perforated so that they can detach individual skill sheets for use in clinical settings. Flashcards summarize key information about the sciences, medical emergencies, infection control, radiography, dental materials, dental instruments, and dental procedures, offering convenient on the go review and exam preparation.
