Yoga and the Quest for the True Self Stephen Cope, 2018-04-17 More than 100 000 copies sold Millions of Americans know yoga as a superb form of exercise and as a potent source of calm in the midst of our stress filled lives Far fewer are

aware of the full promise of yoga as the way of the fully alive human being a 4 000 year old practical path of liberation that fits the needs of modern Western seekers with startling precision Now one of America s leading scholars of yoga psychology who is also a Western trained psychotherapist offers this marvelously lively and personal account of an ancient tradition that promises the soul awake in this lifetime Drawing on the vivid stories of practitioners at the largest yoga center in America where he has lived and taught for more than ten years Stephen Cope describes the philosophy psychology and practice of yoga a practical science of development that urges us not to transcend or dissolve the self but rather to encounter it more deeply In this irreverent modern day Pilgrim s Progress Cope introduces us to an unforgettable cast of contemporary seekers on the road to enlightenment carrying all the baggage of the human condition confusion loss disappointment addiction and the eternal conflicts around sex and relationship As he describes the subtle shifts of energy and consciousness that happen at each stage of the path we discover that in yoga liberation does not require us to leave life in the world for some transcendent spiritual plane Life itself is the path Above all Cope shows how yoga can heal the suffering of self estrangement that pervades our society leading us to a new sense of purpose and to a deeper more satisfying life in the world Mortal Spirit Brian Gleason,2001-11 Mortal Spirit takes us on a compelling journey from naivete to wisdom from instinct to heightened consciousness In an age dominated by psychopharmacological and solution focused treatments for human discontents many of us have turned to spiritual teachings for succor Yet here too we often do not find the answers we desire Human development and spiritual evolution are part of a continuum of self transcendence Mortal Spirit is the recognition of our ever evolving nature The power of Brian Gleason s message is in his willingness to challenge the sacred cows of both psychology and spirituality Gleason cogently argues that until we accept the biological realities of our beingness we will forever flounder in a fantasy world of hoped for immortality To be fully alive in this very moment is the highest spiritual challenge We cannot get there through traditional psychotherapy or classical spiritual practices alone Gleason s elegant work opens us to a new paradigm called spiritual somatics Here we learn that the human energy field must embrace all the potent forces of the universe in a developmentally appropriate sequence Both pleasure and pain must be fully experienced on this path The capacity to tolerate strong emotions is fundamental to self transcendence Spiritual somatic theory suggests that body and spirit must develop in harmony for personal evolution to unfold *The Psychology of the Body* Elliot Greene,Barbara Goodrich-Dunn,2013-01-31 Prepare your students to appropriately identify understand and respond appropriately to the phenomenon of emotional release during massage and bodywork This new edition continues to provide a crucial basis of knowledge for massage therapy and students regarding the emotional impact of effective massage therapy With a new more colorful layout this new edition has been fully revised to address the latest science around this topic Furthermore in text features aim to help students apply their learning to actual practice as a massage therapist **The Matrix and Meaning of Character** Nancy J. Dougherty,Jacqueline J. West,2013-12-02 Character structures underlie everyone s personality When

rigidly defended they limit us yet as they become more flexible they can reveal sources of animation renewal and authenticity

The Matrix and Meaning of Character guides the reader into an awareness of the archetypal depths that underlie character structures presenting an original developmental model in which current analytic theories are synthesised The authors examine nine character structures animating them with fairy tales mythic images and case material creating a bridge between the traditional language of psychopathology and the universal realm of image and symbol This book will appeal to all analytical psychologists psychoanalysts and psychotherapists who want to strengthen their clinical expertise It will help clinicians to extend their clinical insights beyond a strictly behavioural medical or cognitive approach revealing the potential of the human spirit
