Griffith,2022-04-07 The church in its first centuries split on whether Christ saved everyone or a few Universalism versus Exclusivism In the sixth century the church settled the issue seemingly and held that Universalism was heresy This book reviews this history as well as what provoked it Scripture on its face gives two contradictory accounts of salvation s extent everyone is ultimately saved and everyone is not In contrast to both Exclusivism and Universalism the book takes Scripture s two accounts of salvation s extent as true that is as a paradox This is the approach the church has taken with other scriptural paradoxes Saying one God is three or one Son is both God and man appeared to be contradictory too but to embrace Scripture entirely these were seen as paradoxical The Trinity modeled how one can be three and the hypostatic union modeled how one can be two For the paradox of salvation s extent the answer lies in the individual s divisibility in the afterlife one can be two That is in ultimate salvation each individual can be both saved and unsaved      First Things ,2003
