They range from historical overviews to of-the-moment critical theory about children's books from across the globe. *A Companion to Children's Literature* explores some of the earliest works in children's literature, key developments in the genre from the 20th century and the latest trends and texts in children's information books, postmodern fairytales, theatre plays and more. This collection also discusses methods for reading children's literature, from social justice critiques of popular stories to Black critical theory in the context of children's literary analysis.
