Witchcraft Jennie Woodard, 2025-08-28 From fairy tales and fiction to TikTok, the specter of the witch has cast a long shadow over women and popular culture. *Witchcraft: Gendered Perspectives* traces the history of and evolution of the term 'witch' across six centuries. Tracing the history of witchcraft from the publication of the *Malleus Maleficarum* to its contemporary representation and reclamation, this volume takes a gendered and intersectional approach to the cultural and historical shifts which have both demonized and democratized the witch online and in public discourse. Amongst these are The witch trials in Scotland, England, and America. Literary and screen representations of the witch. The rise of Wicca as an alternative religion. *Witchcraft: Gendered Perspectives* is an invaluable resource for graduate and undergraduate students across gender studies, queer history, religious studies, media studies, and European and North American history.

What a Way to Go Bella Mackie, 2025-10-07 Instant Sunday Times Bestseller. Wonderfully wicked. Red Magazine. A gleeful satire. Sunday Times. Ferociously entertaining. Good Housekeeping UK. With the bite of *The White Lotus* and the family dynamics of *Succession*, *What a Way to Go* is an uproarious and satirical whodunnit about people behaving badly and perhaps finally getting their just deserts from the author of the mega bestseller *How to Kill Your Family*. When Anthony Wistern died, he expected his family to make a bit more of a fuss about it. Especially after he'd died in such dramatic fashion, skewered by an exorbitantly expensive party decoration in the private lake of his Cotswold s manor house at his sixtieth birthday party, surrounded by the people for whom he most loved flaunting his wealth. And now even death has disappointed him instead of Heaven or Hell or an empty

void Anthony's soul is stuck in a strange kind of purgatory while he tries to figure out who killed him before he is finally released from this interminably exasperating waiting room. Olivia Wistern knows she should probably try to appear at least a little upset about her husband's death but she honestly can't be bothered. As usual he's left behind an unbelievable mess financially, socially, personally that she's going to have to clean up. Their four grown children will be of absolutely no help. She shouldn't have let them become so hopelessly spoiled. And is it just her or are the police and their murder investigation intentionally getting underfoot? There's no shortage of people who hated Anthony so can't they look for a killer somewhere other than her house? While the Wisterns are more concerned about the fate of their money than the fate of their patriarch, one internet sleuth is highly interested in Anthony Wistern's death. She isn't about to let the opportunity to create a sure to be smash true crime podcast pass by, not when the murder was committed mere yards away and not when she has her own history with the victim. She'll make her name and her own fortune off Anthony's death one way or another whatever it takes.

Compression reduces the file size, making it easier to share and download. **Can I fill out forms in a PDF file?** Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. **Are there any restrictions when working with PDFs?** Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
