Atravesados Trevor Boffone, Cristina Herrera, 2025-02-17 Contributions by Frederick Luis Aldama, Trevor Boffone, T. Jackie Cuevas, Cristina Herrera, Alexander Lalamá, Angel Daniel Matos, Regina Marie Mills, Joseph Isaac Miranda, Jesus Montaño, Domino, Renee Pérez, Regan Postma, Montaño, Cristina Rhodes, and Sonia Alejandra Rodríguez. *Atravesados: Essays on Queer Latinx Young Adult Literature* shows how Latinx queer YA writers discard the same old story and offer critical representations of queerness that broaden YA writing and insist on the presence of queer teens of color. *Atravesados* draws on foundational Chicana queer theorist Gloria Anzaldúa's notion of *atravesados* to speak to the spectrum of queer youth Latinidades as they materialize in YA literature. Los *atravesados*, according to Anzaldúa, are the squint-eyed, the perverse, the queer, the troublesome, the mongrel, the mulato, the half breed, the half dead, in short, those who cross over, pass over, or through the confines of the normal. Los *atravesados* reside in the borderlands space of *ni de aquí ni de allá*, neither here nor there, present yet liminal, their queerness the very source of both frustration and empowerment, a paradox of joy and tragedy. Although written in 1987, Anzaldúa's theory speaks to the realities of queer Latinx teens that fill the pages of YA literature well into the twenty-first century. Characters such as Juliet from Gabby Rivera's *Juliet Takes a Breath*, Aaron from Adam Silvera's *More Happy Than Not*, or the titular Chulito from Charles Rice Gonzales's novel encompass the highs, lows, and everything in betweenness of queer Latinx teen lived experiences. This collection tells their stories. Contributors

speak to the spectrum of queer youth Latinidades as they materialize in YA literature paying close attention to representation and the ways youth are portrayed whether accurate or stereotypical Close attention is paid to books that succeed in broadening the field of YA highlighting authors that draw from their own lived experiences and situate strong fully developed characters Taken together these essays move beyond the page explaining to readers why representation and authenticity matter in YA literature as well as the far reaching effects they can have for real world queer Latinx teens

The Mediated World David T. Z. Mindich, 2023-12-11 A full color interdisciplinary exploration of how media and mass communication shape society and how students can take control of their media futures. Today's students have a world of knowledge at their fingertips and no longer need books to list names and dates. What they need is the story of how everything fits together and the critical tools to take charge of their place within that story. David T. Z. Mindich's *The Mediated World* charts the story of media as it has shaped human life and as it infuses every aspect of our modern existence. Mindich's engaging narrative style focuses on concepts and real world contexts to promote the media literacy students need to understand their personal relationships with media. Empowered as media consumers, creators, and curators, students realize their responsibility to work within the vast world of media to create more positive and productive futures. The second edition of this text brings historical media and overarching themes to life for students. Each chapter opens with a contemporary vignette that meets students in the current moment before encouraging them to consider the past. Application sidebars suggest practical activities that allow students to delve deeper into topics while Reflection boxes encourage students to think critically about their own media use. With a strong emphasis on media literacy that treats students as media stakeholders who have a vested interest in understanding its workings and effects, Mindich's text is the perfect book for a generation of students looking to take charge of their futures in this mediated world. New to the Second Edition: New chapter opening vignettes connect with students in the current moment before welcoming them to consider the past. New Chapter 8: Representation and the Lives that Matter in the Media encourages students to think critically about which people get to be heard and which are overlooked. New Chapter 13: Hot and Cold Video Games critically explores a powerful media force in students' recreational lives. Expanded discussions on current cultural, political, and technological references engage with controversies. Features: Full color layout with photos and graphics to enrich students' reading experience. Integrated focus on representation in media reminds students of the pervasive impact of bias across society. Margin keyword definitions help

students develop critical vocabularies Three different feature boxes Reflection Application and Now and Then reinforce concepts and engage students critical thinking skills Chapter learning objectives chapter summaries and discussion questions reinforce historical frameworks and key concepts For instructors a test bank lecture notes and slides and a sample syllabus For the students chapter flashcards a digital glossary and videos and links
