Reversing the Cult of Speed in Higher Education Jonathan Chambers, Stephannie Gearhart, 2018-10-26 A collection of essays written by arts and humanities scholars across disciplines this book argues that higher education has been compromised by its uncritical acceptance of our culture's standards of productivity, busyness and speed. Inspired by the Slow Movement, contributors explain how and why university culture has come to value productivity over contemplation and rapidity over slowness. Chapter authors argue that the arts and humanities offer a cogent critique of fast culture in higher education and reframe the discussion of the value of their fields by emphasizing the dialectic between speed and slowness.

*Masculinities in Post-Millennial Popular Romance* Eirini Arvanitaki, 2022-05-12 This book focuses on the projection of the hero's masculinity in a selection of post-millennial popular romance narratives and attempts to discover if and to what extent this projection reinforces or challenges patriarchal ideas about gender. In the majority of these narratives the hero is often presented as a hegemonic alpha male. However, hegemonic masculinity is not a fixed concept. Rather, it is subject to continuous change which allows for the emergence of various dominant masculinities. Under a poststructuralist lens and through a close textual analysis approach and a gender reading of romance narratives, the book suggests that to a certain extent the romance hero could be described as a platform onto which different forms of dominant masculinity are displayed and highlights that these masculinities do not necessarily clash, depend on or function as a prerequisite for each other.

*Library Youth Outreach* Kerol Harrod, 2014-01-21 With tightened library budgets, the norm librarians run the risk of cutting back so much that they isolate themselves from their patrons and their communities. This doesn't have to happen. The outreach methods detailed in this book range from simple actions to detailed processes. Each of the 26 chapters provides helpful information for both those new to library outreach and those with years of experience. Teaching Modernist

Women's Writing in English Janine Utell, 2021-04-25 Offers pedagogical techniques for teaching anglophone modernist writing by Virginia Woolf, Gertrude Stein, Dorothy Richardson, Jean Rhys, Nella Larsen and others. Gives syllabus suggestions for undergraduate and graduate courses in literature and writing. Covers topics such as feminism, gender identity, canon formation, politics, activism and war. Suggests many digital humanities approaches. **The Scandal of Adaptation** Thomas Leitch, 2023-04-21 The essays in this volume seek to expose the scandals of adaptation. Some of them focus on specific adaptations that have been considered scandalous because they portray characters acting in ways that give scandal because they are thought to betray the values enshrined in the texts they adapt, because their composition or reception raises scandalous possibilities those adapted texts had repressed or because they challenge their audiences in ways those texts had never thought to do. Others consider more general questions arising from the proposition that all adaptation is a scandalous practice that confronts audiences with provocative questions about bowdlerizing, ethics, censorship, contagion, screenwriting and history. The collection offers a challenge to the continued marginalization of adaptations and adaptation studies and an

invitation to change their position by embracing rather than downplaying their ability to scandalize the institutions they affront *Time Flies* Claire Cook, 2014-06-10 Two best friends a high school reunion and a rollicking road trip down memory lane Page 4 of cover The Spectator ,1899 **The Secret, Book & Scone Society** Ellery Adams, 2018-07-31 In this intriguing new series from New York Times bestselling author Ellery Adams a quirky club in small town North Carolina holds the keys to health happiness friendship and even solving a murder all to be found within the pages of the right book Strangers flock to Miracle Springs hoping the natural hot springs five star cuisine and renowned spa can cure their ills If none of that works they often find their way to Miracle Books where over a fresh baked comfort scone they exchange their stories with owner Nora Pennington in return for a carefully chosen book That s Nora s special talent prescribing the perfect novel to ease a person s deepest pain So when a visiting businessman reaches out for guidance Nora knows exactly how to help But before he can keep their appointment he s found dead on the train tracks Stunned Nora forms the Secret Book and Scone Society a group of damaged souls yearning to earn redemption by helping others To join members must divulge their darkest secret the terrible truth that brought each of them to Miracle Springs in the first place Now determined to uncover the truth behind the businessman s demise the women meet in Nora s cozy bookstore And as they untangle a web of corruption they also discover their own courage purpose and a sisterhood that will carry them through every challenge proving it s never too late to turn the page and start over Anyone who loves novels that revolve around books will savor this tasty treat Library Journal Starred Review **On the Way to You** Kandi Steiner, 2023-01-30 Bestselling Author Kandi Steiner delivers a breathtaking poignant romance and unforgettable adventure about two strangers and the road trip that will change both of their lives forever What makes you happy That was the question Emery Reed asked me the day we met and I couldn t give him a single answer I could have said my dog or my books or yoga but I just stared And then I got in his car It was crazy to take a road trip with a stranger but after years of standing still he was my one way ticket to a new life and I wasn t going to miss it We shared the same space the same car the same hotel room and still we were strangers One day we d be laughing the next we wouldn t speak Emery was surrounded by impenetrable walls but I wanted in Discovering his journal changed everything I read his thoughts words not meant for anyone s eyes and the more I learned about him the harder I fell It turned out nothing made Emery Reed happy and I wanted to change that I earned his trust by violating his privacy and as wrong as it was it worked until one entry revealed a darkness I never knew existed a timer I never knew was ticking Suddenly what made me happy was saving Emery from himself I just didn t know if I could **Voices of Terror** Claude Virmonne, 1980 When her Great Aunt Rachel died Heather inherited the old woman s house But it wasn t until she went to live in it that she found the letter her aunt had never mailed They come in the night the letter said Strange noises that come from nowhere like whispers Weightless Kandi Steiner, 2016-06-16 Angst mystery and suspense collide in this bestselling breakout romance novel from Kandi Steiner I remember the lights I remember I wanted to photograph them the
