Mapping the interactions between girl and vampire corporealities delving into the unconventional tales of vampire romance and girl sexual expressions examining the narratives of women and violence and venturing into the uncanny vampire classroom to unmask its critique of present day schooling the volume offers a new perspective on the vampire genre and an engaging insight into the complexities of growing up a girl *Sunshine Books Teacher Resource Kit: the complete guide for every teacher* Brian Cutting, 1988 The books in this kit cover language development and provide ways to integrate the curriculum.
