

Chapter 24 Study Guide

Professional Ethics

1. Define "professional ethics".

Internal control of a profession based on human values or moral principles

2. Define "caring".

Care for, an emotional commitment to and a willingness to act on behalf of a person with whom a caring relationship exists

3. When faced with an ethical problem or dilemma, what do *most* professionals end up doing?

They simply obey the rules of their institution, follow the policies of their supervisor, or choose the least objectionable course of action among a bewildering array of choices, each of which may have profound consequences for patient care

4. Define "ethics".

Systematic study of rightness and wrongness of human conduct and character as known by natural reason

5. Define "laws".

Regulations established by government and applicable to people within a certain political sub-division

6. Define "morals".

Generally accepted customs, principles or habits of right living and conduct in a society and the individual practice in relation to these

7. Compare "ethics", "laws", and "morals" by completing the chart below.

System:	Ethics	Laws	Morals
Application:	Specific group	Political subdivision	Individuals
