Master Chess Tactics Chess Openings and Chess Strategy today and become the chess player you've always wanted to be. You'll be so glad you did. **Reaching the Top?! Peter Kurzdorfer, 2015-10-28** What Does It Take to Play Master Level Chess? Becoming a master is a goal many chess players seek. And for most it is an unfulfilled dream. Now for the first time the topic is squarely addressed. Not by a super grandmaster or high powered international master but by a regular national master, a master who earned his stripes in the trenches battling his way to the title. In *Reaching the Top* author Peter Kurzdorfer shares his journey to the coveted 2200 Elo mark. Using his own games, major topics covered by the author include: Learning From Past Mistakes, Choose Openings to Suit Your Style, Handling Material Inequality, Practical Endgames, How Sound Do Your Openings Need to Be When Things Go Terribly Wrong, Overcoming Difficulties, and How to Win. This guide shows what it takes to play at the master level. What you need to know, what you do not need to know. It is a practical presentation that will not only help aspiring masters but in fact any player seeking to improve his game. So come on in and sit by the side of a chess master as he plies his craft, marveling at the wonderful intricate combinations and positional ideas and shuddering at the opportunities that supposedly strong chess players missed time and time again. Enjoy these every day blue collar battles that do not involve the cutting edge of theory or top professional combatants but do come out of ordinary amateur chess players who have made it work for them. However, there is one requirement you do have to love the game and give it your best shot every game every move. Mix in some discipline and concentration and you too may be able to play master level chess.

**CHESS Magnus Templar, 2019-10-10** Are you looking for concise, effective and no BS advice to quickly learn the Art of Checkmate and quickly start winning chess games with your friends and family? Are you looking for one single primer which can take you from an absolute newbie to a fairly competitive chess player? If so, then keep reading. **The Complete Guide to Chess** Logan Donovan, 2015. *The Complete Guide to Chess* Master Chess Tactics Chess Openings and Chess Strategy explains how you can easily memorize popular chess openings, the first few turns of a game. If you're a beginner, you can amaze your friends by learning the tricks and traps of the Grandmasters and using them on your unsuspecting foes.

**Chess Henry Abbot, 2016-02-04** Master the Game of Chess and Defeat Your Opponents. What is chess? Where did it come from? How do you learn to play Chess?
