**How to Lead a Church to Reach People and Grow** Robert A. Young, 2009-05 This book presents a unique approach to church growth. It is written mainly to help churches that are declining but will help all churches. The underlying premise is that churches do not grow and reach new people because they do not know how or because they are so poorly structured and organized that they spend most of their time and efforts in conflict. This disrupts the fellowship and leaves very little time and energy for reaching new people. The subtitle could be Fifteen Essential Steps To Growth. Basic growth and administrative principles. The combining of these areas makes this a unique book. Young has brought together these basic elements from over 40 years of experience. The book is a practical guide for a local church to follow to function efficiently and effectively and reach people for Christ. When the steps are followed and in the proper order the church can pretty well be assured of growth and effective ministry. Dr. Robert A. Young is currently President of Samuelite Corp Church Outreach and Consulting. He served as Associate Pastor Administration of Walnut Street Baptist Church Louisville KY and Park Cities Baptist Church Dallas TX and President of the National Association of Church Business Administration. He has conducted Total Church Consultations and Capital Fund Campaigns for churches of all sizes and denominations. He is now available to serve churches as a consultant in these areas. He is also the author of *The Development of A Church Manual of Administrative Policies*.
