When Laura checks out she meets Katie a young and beautiful single woman. Katie and Laura introduce themselves and meet at the in store restaurant after they pick up their cars. They trade phone numbers and decided to go on a date later that week. A few days later Laura and her father Randall go out to eat. One of Randall's former coworkers brought his son David with him. David flirts with Laura and Laura agrees to go out with him. She is now wondering who she wants to be with. She is afraid of hurting either one but is stuck between the two. Laura starts her training. She is extremely nervous about doing a good job. Laura has never been in a management position before. The other employees quickly warm up to Laura. She is well liked. During her training on her second day a drunk driver plows through the parking lot at work and destroys her car. She is upset that she has to have her father come and get her. Laura goes to the dealer where her car is taken and test drives a newer vehicle. The salesperson lets her drive it for a few days until her insurance settles with her. After her training Laura is transferred to a different store within the company. She loves being the manager of her own store. The day she takes over her new store she notices the store is out of coffee and has to make a thirty mile trip back to the store where she interviewed and get coffee and other items. Laura sees Katie's sister Lisa the store's shift lead. Laura and Lisa get into an argument.
