Creating Local Arts Together - Revised and Updated Brian Schrag, 2025-01-07 Cultivating Creativity for Kingdom Flourishing Creating Local Arts Together is a manual that offers a transformative approach to integrating local arts with kingdom work The practical text reduces experience based scholarly insights into a flexible seven step process The purpose of this manual is to guide your involvement in working toward a new reality one in which all communities are using all their gifts to worship obey and enjoy God In this revised edition Brian Schrag has incorporated user feedback lessons learned and additional real life stories of these principles over the last decade This book includes an added index periodic reflection questions case studies from people applying CLAT in various contexts updated references and more content devoted to multicultural contexts Drawing on historically robust discoveries and methods of academic disciplines ethnomusicology folklore performance studies anthropology biblical studies missiology and ethnodoxology Creating Local Arts Together teaches about artistic communication within communities whether cultures close to home or far afield **Contemporary Issues in Equity, Democracy, and Public Education** Felicity Crawford, Fadie T. Coleman, Elsa Wiehe, 2024-12-27 Contemporary Issues in Equity Democracy and Public Education explores how inequity manifests in public education and social institutions and how this inequity impacts the health and wellbeing of citizens including marginalized people Demonstrating how inequity thereby threatens democracy this book also poses suggestions for improving equity in U S education Taking a multidisciplinary approach to historical and contemporary sources of inequity that operate in social institutions and public policy this carefully curated volume shows how disparities in education levels income housing and health have consequences that reverberate through individuals lives and thereby undermine a democratic way of life Contributions from a wide variety of experts offer approaches to solving these problems as well as curricular innovations for identifying and alleviating systemic inequities Part 1 begins by examining the origins and persistence of systemic inequity in U S public education while Part 2 highlights the physiological psychological and social impacts of systemic bias and how these factors interrupt democratic engagement over time Moving on to examine the curriculum in more detail Part 3 explores how we can promote equity across the curriculum and Part 4 closely considers how we can expand educational opportunities for marginalized groups within STEM education The book will make invaluable reading for graduate students and researchers in Education particularly Social Justice Education Multicultural Education Educational Policy and Politics STEM Education and Social Studies Education as well as policymakers in service teachers administrators and activists To Live to See the Great Day that Dawns United States. Department of Health and Human Services, 2010 Working with Trauma-Exposed Children and Adolescents Joanna Pozzulo, Craig Bennell, 2018-12-07 Far too often children and youth experience trauma from rare events such as mass shootings terrorism attacks and school lockdowns to very common occurrences such as bullying exposure to drugs and alcohol or various mental health issues They can experience these events

both directly and indirectly from surfing the internet watching television or through their friends Our children spend a large portion of their day at school interacting with other students teachers and school personnel where these topics are raised and discussed This edited volume addresses how our teachers and school personnel can help students deal with these potentially traumatic events to reach the most positive possible outcomes This collection brings together leading experts including academics and professionals working in the field to provide the most current evidence based practices on how to help students who may have experienced or witnessed trauma It presents research and advice on how to respond to traumatic events regarding bullying drugs and alcohol sexual abuse mental health lesbian gay bisexual transgender and queer LGBTQ safety stranger danger childhood disruptive behaviors school shootings and lockdowns and terrorism It also includes a chapter focused on how to implement a school safety program Schools cannot deal with these issues alone effective strategies must engage family members and the broader community Hence the collection includes a chapter on how schools can partner with families and the communities they reside in to bring about positive change All this work pays close attention to cultural and religious sensitivity socio economic variabilities diversity issues and developmental stages
