**OCR AS Biology Student Unit Guide: Unit F211 Cells, Exchange and Transport** Richard Fosbery, 2008-09-26 Student Unit Guides are perfect for revision. Each guide is written by an examiner and explains the unit requirements, summarises the relevant unit content, and includes a series of specimen questions and answers. There are three sections to each guide: Introduction, includes advice on how to use the guide, an explanation of the skills being tested by the assessment objectives, an outline of the unit or module, and depending on the unit, suggestions for how to revise effectively and prepare for the examination questions. Question and Answers sample questions and with graded answers which have been carefully written to reflect the style of the unit. All responses are accompanied by commentaries which highlight their respective strengths and weaknesses giving students an insight into the mind of the examiner.
