**Ezer** Stephanie J. Bernard, Logan H. Bernard, 2026-01-08 This book is for readers who have ever wondered if they are truly fulfilling God's purpose for their lives. Society is often allowed to dictate how people navigate their lives determining what they should pursue who they should become and what success should look like. In a world with such influence it is essential that women of faith understand their purpose through the lens of the one who made them. **Reclaiming Ezer: A Call to Restore and Embrace Your True Superpower** takes readers back to the beginning when God created Eve and called her Ezer. Ezer referenced in approximately twenty-one verses in the Old Testament is used primarily to describe God as rescuer, strong protector and a constant help for his people. Understanding the beauty of this distinction provides amazing insight into God's original design for women and offers guidance when God's purpose seems unclear. God created women to be powerful allies in the pursuit of his purpose so women should never allow this world to make them doubt their value, dim their light or distract them from their God-given mission. Women should take their cues from the only one equipped and armed with the authority to define them: the Creator himself. **ASFPM Certified Floodplain Manager Exam Unofficial Review**
