**Vessels of Wrath, Volume 1** Richard M. Blaylock, 2023-08-17  
Hardening hearts Blinding eyes Sending deceitful spirits Crafting vessels of wrath Few will deny that certain biblical passages make claims about God that are difficult to accept But perhaps the most troubling are the verses that describe God as influencing individuals or groups towards wicked behavior for the purpose of condemning them What are readers to do with these texts In Vessels of Wrath Richard M Blaylock tackles the thorny subject of divine reprobating activity DRA Through an exhaustive biblical theological study of the Old and New Testaments Blaylock argues that the Bible does not present DRA as an insignificant or monolithic concept instead the biblical authors showcase both the significance and the complexity of DRA in a variety of ways The book aims to help readers of the Bible to wrestle with the Scriptures so that they might come to better understand its testimony to this mysterious and awesome divine activity

**The Priest and Levite as Temple Representatives** Michael Blythe, 2023-07-07 The parable of the good Samaritan is well known yet scholarship has not plumbed the depths of its meaning within its first century Palestinian context For the majority of Christian history the parable has suffered either from extreme allegorical treatments or from unimaginative readings limiting the parable to a single point example story of virtue A creative reading employing social and historical methods generates a refreshing telling of the story within Jesus's context whereby each variable from the Samaritan to the priest and even the innkeeper takes on representative forms not only indicative of widespread concerns from Jesus's audience but also becoming symbols of the

eschatological age when the new temple supplants the old      **Intentional** David A. Tatum,2026-01-08 In worship leadership today there is a big push to create moments of multigenerational involvement Many of the worship music publishers are creating products that have the multigen label All these products are designed to incorporate children students and adults in moments of worship Intentional seeks to help worship leaders understand how to make the most out of these and other tools According to Scripture God has called everyone to live their lives together not just to have moments of togetherness To be faithful to creation and calling people must be intentional as they seek to integrate all God s children in worship every day Pulling from more than thirty years of worship leadership experience Intentional lays out a simple plan to focus worship ministries on being truly intergenerational and that takes intentionality      Prayer, Middle Knowledge, and Divine-Human Interaction Kyle D. DiRoberts,2018-07-27 Christians generally believe that in prayer they are free in their act to petition God Christians also believe that they pray to a God that is sovereign and omniscient Kyle DiRoberts maintains that explanation as to how one affirms these two truths is dependent upon one s account of divine providence which determines how motivated the person is to offer petitionary prayer in the divine human relationship The theories of providence and their understanding of petitionary prayer discussed in this book include compatibilism hard determinism open theism and middle knowledge Each of the theories of divine providence discussed in this book share a desire to construct a view concerning petitionary prayer that would propel the Christian toward God in relationship and then lead the body of Christ to pray without ceasing DiRoberts argues that middle knowledge is the preferred theory of providence as it relates to petitionary prayer because for middle knowledge God s sovereignty includes both his omniscience and libertarian human freedom      **Subject Guide to Books in Print** ,1997      **Subject Guide to Children's Books in Print 1997** Bowker Editorial Staff,R R Bowker Publishing,1996-09      **Religious Books and Serials in Print 1978-1979** R.R.
