

**Part 2**

**Chapter 25**

1. How has Madam Lockton's and Isabel's behavior changed since Isabel has returned to the home? *Isabel just does as she's told; Madam doesn't even speak to or look at Isabel.*
2. Why does Madam Lockton allow Isabel to walk into town unattended? How is Isabel treated in town? How does Isabel feel? *She thinks that because of Isabel's brand, she won't do anything out of line. Everyone notices the scar whether they say anything or not, and Isabel knows it.*
3. Why does Isabel finally speak with Curzon? Why does Curzon want to talk to Isabel? How does she respond? What is Curzon trying to get Isabel to understand when he tells her that they all have scars? *She doesn't want him to get into trouble for coming around. She wants to tell him to stay away. He just wants to tell her he is sorry. He needs her to realize that nothing is easy or free.*

**Chapter 26**

1. What particular challenge does the storm present for the Lockton home? *The house leaks and there is no man to fix it.*
2. What debate is in progress at the water pump when Isabel arrives? Which side would you support? *What side should the slaves take in the war?*
3. Why does the woman in the yellow head cloth say that both the Loyalists and Patriots are hypocritical? Do you agree or disagree? *They say one thing and do another. The British will only free the Patriot slaves who work for them, and the Patriots won't free the slaves even if they fight.*
4. What words of support and advice does Grandfather provide to Isabel? What does he mean when he tells the people to find their River Jordan? *Use your scar to remember your strength. The River Jordan is a symbol of freedom.*
5. How does Curzon behave differently than he has in the past when he comes up behind Isabel on her walk home from the pump? *He does not talk to her.*

**Chapter 27**

1. Why is Madam Lockton so nervous? *She is hoping that the British have won.*
2. What news does Becky bring that upsets Madam Lockton causing her to take to her bed, and Isabel unable to eat her breakfast? *She talks about the wounded men.*
3. Why does Becky say she will leave New York? *She will leave if the British take control.*
4. Who is Isabel pleased to see moving around at the end of the chapter? Why is her relief significant? *Curzon. She pretended not to care about him. She is showing that she does care.*
