Chekhov Robert Frost John Cheever And more **Education Flashpoints** Alan J. Singer, 2014-04-24 Drawing on his widely read Huffington Post columns rated one of the top educational blogs in the United States Alan Singer introduces readers to contemporary issues in education in the United States The issues are presented with a point of view and an edge intended to promote widespread classroom debate and discussion Each section opens with a new topical summary essay followed by a series of brief essays updated and adapted from Huffington Post columns The book includes guest contributions guiding questions and responses to essays by teacher education students and teachers to further classroom discussion Education Flashpoints is written in a conversational style that draws readers into a series of debates by presenting issues in a clear and concise manner but also with a touch of irony and a bit of rhetorical bite The topics examined in these essays read like the latest newspaper headlines in the battle to define public education in the United States Speech Activities , 1952

Teaching Critically about Lewis and Clark Alison Schmitke, Leilani Sabzalian, Jeff Edmundson, 2020 The Lewis and Clark Corps of Discovery is often presented as an exciting adventure story of discovery friendship patriotism However when viewed through a non colonial lens this same period in U S History can be understood quite differently In BEYOND ADVENTURE the authors provide a conceptual framework ready to use lesson plans and teaching resources to address oversimplified versions of the Lewis and Clark expedition **Graduate School Catalog** Southern Illinois University (Carbondale campus), 1971
