Desert Flower :

Desert Flower Waris Dirie, Cathleen Miller, 2009-06-23 Waris's story is one of remarkable courage. From the deserts of Somalia to the world of high fashion, she battles against oppression and emerges a real champion. She is the most beautiful inspiration to anyone. Elton John. Waris Dirie ran away from her oppressive life in the African desert when she was barely in her teens, illiterate and impoverished, with nothing to her name but a tattered shawl. She traveled alone across the dangerous Somali desert to Mogadishu, the first leg of a remarkable journey that would take her to London where she worked as a house servant, then to nearly every corner of the globe as an internationally renowned fashion model, and ultimately to New York City where she became a human rights ambassador for the U.N. Poignant and powerfully told, *Desert Flower* is Waris's extraordinary story. **Desert Flower**, 2011. Desert Flower Waris Dirie, 2003-09. *The Arizona Low Desert Flower Garden* Kirti Mathura, 2007. The Arizona Low Desert Flower Garden serves as the perfect guide to designing, planning, and caring for a garden in this complex climate. This book features easy-to-use tri-cut flip pages that make it a snap to compare plants and visualize how colors will blend in the garden, as well as to compare growing season, height at bloom stage, propagation method, and sunlight requirements for hundreds of low water plants. Female Genital Mutilation in the book "Desert Flower" by Waris Dirie. Nevin Baidoun, 2021-08-16. Seminar paper from the year 2018 in the subject Literature Africa, grade 2.0. University of Würzburg, language English, abstract. The paper deals with the topic of female genital mutilation in the book *Desert Flower* by Waris Dirie. Waris Dirie became a bestselling author through her autobiographical novel in which she describes inter alia her childhood in Somalia and thus the genital mutilation she and her sister had to undergo. It is a life story which has contributed a significant part to the worldwide combating of FGM through the establishment of the Desert Flower Foundation. Simultaneously, Waris's success story is a political tool for the world's fight against genital mutilation and for human rights. The principal tool therefore is a natural, non-dramatic perspective exposing her intimate experience, which is in this case her and her sister's genital mutilation in their childhood. Apocalypse 2012 Gary Jennings, Robert Gleason, Junius Podrug, 2009-06-09. In ancient Mexico, the End Time Codex prophesizing the world's end in 2012 is entombed. A young Aztec Mayan slave tells us its story. Gifted in math and astronomy, Coyotl rises to king's counselor in Tula, a golden city of milk and honey ruled by the brilliant god-king Quetzalcoatl, the Feathered Serpent of lore. Gathering artists, scientists, and craftsmen, this legendary ruler builds a city that will awe humanity for one thousand years. But he also faces war, catastrophic drought, betrayal, and the rise of an evil death cult religion. Instituting the infamous Blood Covenant, its priests drag thousands of people a year atop temple pyramids and rip their hearts beating from their chests. To stop them, Quetzalcoatl must defy the flames of bloody civil war. A thousand years later, scientists discover the End Time Codex. While struggling to decipher it, they realize their own age mirrors Tula's. Can they crack the 2012 code and save their world from Tula's deadly fate?
