All in Her Head Elizabeth Comen, 2024-02-13 Finalist for the 2025 PEN E O Wilson Literary Science Writing Award USA Today Bestseller *All in Her Head* accomplishes a remarkable feat of storytelling By combining essential medical histories about women s bodies with all the narrative propulsion of a medical thriller Comen has written a must read compelling and important book Siddhartha Mukherjee Pulitzer Prize winning author of *The Emperor of All Maladies* and *The Song of the Cell* Wow This book will upend everything you thought you knew about your body while empowering you to make better decisions moving forward Through storytelling extensive research and easy recommendations Dr Elizabeth Comen has given us all a priceless road map to reclaim our agency Eve Rodsky author of *Fair Play* A surprising groundbreaking and fiercely entertaining medical history that is both a collective narrative of women s bodies and a call to action for a new conversation around women s health For as long as medicine has been a practice women s bodies have been treated like objects to be practiced on examined and ignored idealized and sexualized shamed subjugated mutilated and dismissed The history of women s healthcare is a story in which

women themselves have too often been voiceless a narrative instead written from the perspective of men who styled themselves as authorities on the female of the species yet uninformed by women's own voices thoughts fears pain and experiences The result is a cultural and societal legacy that continues to shape the mis treatment and care of women While the modern age has seen significant advancements in the medical field the notion that female bodies are flawed inversions of the male ideal lingers on as do the pervasive societal stigmas and lingering ignorance that shape women's health and relationships with their own bodies Memorial Sloan Kettering oncologist and medical historian Dr Elizabeth Comen draws back the curtain on the collective medical history of women to reintroduce us to our whole bodies how they work the actual doctors and patients whose perspectives and experiences laid the foundation for today's medical thought and the many oversights that still remain unaddressed With a physician's knowledge and empathy Dr Comen follows the road map of the eleven organ systems to share unique and untold stories drawing upon medical texts and journals interviews with expert physicians as well as her own experience treating thousands of women Empowering women to better understand ourselves and advocate for care that prioritizes healthy and joyful lives for us and generations to come All in Her Head is written with humor wisdom and deep scientific and cultural insight Eye opening sometimes enraging yet always captivating this shared memoir of women's medical history is an essential contribution to a holistic understanding and much needed reclaiming of women's history and bodies

Enhancing Intergenerational Social Connections Using Shared Common Values

Chandan, Harish Chandra, 2025-11-07 In an increasingly fragmented and fast paced world strengthening connections between generations has become both a challenge and a necessity for today's world One powerful yet often overlooked way to bridge generational divides is through the recognition of shared common values such as shared likes and responsibilities common interests and community development These core principles transcend age and time offering a foundation upon which meaningful relationships can be built and sustained By focusing on unification this approach may help build a deeper understanding and renewed sense of belonging across generations Enhancing Intergenerational Social Connections Using Shared Common Values explores social connections as meaningful interaction between individuals from different generations within families communities and societies It explores how shared interests among generations promotes intergenerational social connections and offers opportunities for mentorship shared wisdom and a sense of belonging in communities Covering topics such as judicial systems social values and intergenerational solidarity this book is an excellent resource for sociologists academicians researchers and scientists
