ISIS Propaganda Stephane Baele, Katharine A. Boyd, Travis G. Coan, 2020 This book offers a comprehensive overview and analysis of the Islamic State's use of propaganda. Combining a range of different theoretical perspectives from across the social sciences and using rigorous methods, the authors trace the origins of the Islamic State's message, laying bare the strategic logic guiding its evolution, examining each of its multi media components and showing how these elements work together to radicalize audiences' worldviews. This volume highlights the challenges that this sort of full spectrum propaganda raises for counter terrorism forces.
