Specialized Legal Research, International

Business Law Mark Fenwick, Stefan Wrba, 2018-07-12 This book provides an accessible introduction to selected new issues in transnational law and connects them to existing theoretical debates on transnational business regulation More specifically i it introduces the argument about the evolving character of contemporary international business regulation ii it provides an overview of some of the main fields of law that are currently important for firms that operate across borders and iii it sets out an interpretive framework for making sense of disparate developments occurring across a number of jurisdictions among which are the form of regulation and style of enforcement issues of legal certainty and behavioural aspects of regulation The

selected topics are indicative of some key issues confronting businesses looking to operate across national borders as well as policy makers seeking to introduce and enforce meaningful regulatory standards in an increasingly global society Topics include consumer law product liability warranty law and obsolescence collective redress alternative dispute resolution corporate wrongdoing corporate governance and e commerce This timely work offers a novel perspective on transnational business law and examines a range of legal issues that preoccupy companies operating transnationally This book is intended not only for law students looking for an introduction overview or commentary on the contemporary state of international business law but also for anyone looking for an introduction to the regulation of business in a global inter connected economy

Consumer Protection in Asia Geraint Howells,Hans-W. Micklitz,Mateja Durovic,André Janssen,2022-08-25 This book looks at the consumer protection offered in a range of Asian countries for example China Japan and South Korea in key areas such as consumer sales law unfair terms product liability and unfair commercial practices However it is interesting to note that consumer protection is on the rise everywhere and to compare how this differs depending upon the legal cultures It is also fascinating to reflect on the influence of models for law reform such as the EU laws ASEAN has also affected the development of consumer policy for its member states The book takes the form of national reports which explain the development of the law and also shed light on how the law works in practice The book also contains thematic reports which look at each area of the law from a comparative perspective Commentators from around the globe reflect on their impression of Asian consumer law based on their own differing legal systems and benchmarks A must read for anyone with an interest in consumer law in Asia and beyond this book will form the basis of further research and discussion internationally
