Refining Nature Jon Własiuk, 2018-03-07 The Standard Oil Company emerged out of obscurity in the 1860s to capture 90 percent of the petroleum refining industry in the United States during the Gilded Age John D Rockefeller the company s founder organized the company around an almost religious dedication to principles of efficiency Economic success masked the dark side of efficiency as Standard Oil dumped oil waste into public waterways filled the urban atmosphere with acrid smoke and created a consumer safety crisis by selling kerosene below congressional standards Local governments guided by a desire to favor the interests of business deployed elaborate engineering solutions to tackle petroleum pollution at taxpayer expense rather than heed public calls to abate waste streams at their source Only when refinery pollutants threatened the health of the Great Lakes in the twentieth century did the federal government respond to a nascent environmental movement Organized around the four classical elements at the core of Standard Oil s success earth air fire and water Refining Nature provides an ecological context for the

rise of one of the most important corporations in American history *The Reader's Index and Guide* ,1941 **Dialogue with the Past** Glenn Whitman,2004-09-15 Oral history is a marvelous force for empowering young people with a love of history But educators today may wonder how they might use it to inspire their students while still teaching the necessary curriculum and meeting standards In Dialogue with the Past Glenn Whitman addresses these concerns from his own rich experience and that of many other teachers and students He helps readers understand the background and methodology of oral history guides them in creating and conducting an oral history project in the classroom and directly addresses the issue of meeting standards Peppered with useful tips examples from students and teachers and reproducible forms along with a comprehensive bibliography this book will be a vital and inspirational tool for anyone working with secondary students Visit the authors web page *Safe and Healthy School Environments* Howard Frumkin M.D.,Robert J. Geller M.D.,I. Leslie Rubin M.D.,Janice Nodvin,2006-08-03 Millions of children and adults across the nation spend their days in school buildings and they need safe healthy environments to thrive learn and succeed This book explores the school environment using the methods and perspectives of environmental health science Though environmental health has long been understood to be an important factor in workplaces homes and communities this is the first book to address the same basic concerns in schools The editors are physicians and educators trained in pediatrics occupational and environmental medicine and medical toxicology and the authors are experts in their fields drawn from across the United States and abroad Each section of the book addresses a different concern facing schools today In the first six sections the various aspects of the school environment are examined Chapters include the physical environment of the school air quality issues pest control cleaning methods food safety safe designs of playgrounds and sports fields crime and violence prevention and transportation In the last two sections recommendations are made for school administrators on how to maximize the health of their schools Appropriately evaluating the school environment implementing strategies to address children and adults with disabilities emphasizing health services infectious disease prevention and recognition and occupational health for faculty and staff are all addressed The entire book is evidence based readable generously illustrated and practical An indispensable resource for parents school staff administrators government officials and health professionals this book is for anyone who cares about the health of our schools **Buttress's World Guide to Abbreviations of Organizations** L. Pitman,1996-12-31 The previous edition of this directory extended its coverage of the Far East Australasia and Latin America areas previously under represented For this new edition emphasis has been given to increasing the number of entries for organizations from Britain the United States and Australia and particular attention has been paid to new political organizations in Central and Eastern Europe and the former Soviet Union The number of entries included has gone up to over 68 000 of which over 9 000 are new or amended Cross references from defunct organizations in the previous edition have been deleted and references indicated by ex and now added for organizations which have changed their name since the previous edition As before the range of organizations

included is broad and only purely local organizations have been excluded This directory therefore lists official and unofficial organizations national and international on all Subjects political economic and social Acronyms of parent bodies of subsidiary organizations are given where appropriate and equivalencies are used to link acronyms in different languages for the same organization Further information about the organizations listed can be found in the sources listed in the bibliography I would like to thank Henry Heaney and Graeme Mackintosh for their advice and David Grinyer for his technical support L M Pitman Bibliography Adams R ed 1993 Centres Bureaux A Directory of UK Concentrations of Effort Information and Expertise 2nd edn CBD Research Beckenham Barrett I K 1993 Encyclopedia of Women s Associations Worldwide Gale London
