### **WallStreetBets**

Jaime Rogozinski, 2020-01-30 The stock market and by extension the greater financial system has lost touch with its fundamental purpose for existing There was a time when the stock market was a mechanism for growing businesses to raise money playing a large role in the industrial revolution boosting America to a global superpower Today the stock market has morphed into a high tech system of fluctuating arbitrary numbers which are used by individuals and industries alike to find profit opportunities by placing bets masqueraded as sophisticated financial maneuvers with fancy labels and acronyms Nowhere is this more evident than with the tendencies observed today There is a shocking trend by today's Millennial generation to shamelessly and unapologetically find ways to use the stock market to place very high risk bets And unlike formal Wall Street investment institutions these gamblers of sorts don't attempt to disguise the game they are proud to call Wall Street a casino Jaime Rogozinski combs through various elements of how reckless investors play Wall Street similar to a casino He illustrates these often in playful ways using entertaining and compelling real world anecdotes His stories are taken straight from Reddit's r/wallstreetbets community which Jaime founded in 2012 and currently has more than 800 000 followers in addition to 3 million unique visitors a month WallStreetBets is a forum based gathering where people are notoriously known for taking a brazen and public approach at gambling with the stock market
