Arcadia: The Complete Collection - 10th Anniversary Edition (A YA Fantasy Series) Al Stone, 2022-07-07 AN UNTOLD PROPHECY A BROKEN COVENANT AND A FALLEN ANGEL AS AN ALLY WILL CHARLIE SURVIVE Arcadia 10th Anniversary Edition is a complete collection featuring three full length novels in a single volume for the first time A young adult fantasy series full of magic mythology and adventure Perfect for fans of Harry Potter Percy Jackson and Lord of the Rings Talisman Of El They have always been here watching in silence Now both worlds are about to collide Charlie Blake has always known he was different He hears what others don't He sees what others can't In his quest for the truth he discovers he is the physical embodiment of a powerful ruler and finds himself locked in an ancient battle between good and evil that threatens the life of every being on Earth Blackout Hold your breath It's contagious Saving mankind becomes near impossible when Charlie's visions start to invade his reality He can no longer identify what's real When he starts exhibiting symptoms of a deadly disease he faces a race against time to find a cure but shocking revelations makes him question where his true allegiance lies Ground Zero Mankind's only hope is not human Approach with caution 26 000 years ago a supernatural apocalypse almost wiped out civilisation Now that time has come again and no one is destined to survive Charlie Blake is determined to stop the apocalypse but fate might not have the same agenda Is Charlie destined to save the world or destroy it **The Encyclopedia of Fantasy** John Clute, John Grant, 1999-03-15 Like its companion volume The Encyclopedia of Science Fiction this massive reference of 4 000 entries covers all aspects of fantasy from literature to art

Story Virality Monica Leonelle, 2021-05-25 You know how to market your book but is the book itself making it harder to gain traction This is a question that all writers and authors struggle with We aren't always great at evaluating our own work whether we are new to publishing or on our twentieth book And the answers we get from other authors is usually to Write to a more popular trend End the series faster Hire a developmental editor Try a new marketing tactic Change the cover or blurb Write the next book But here's the thing your back catalog is not dead weight You worked hard on your book or series and there's no reason you can't get it selling better Without having to write to a trend you're not passionate about Without having to add in tropes that don't make sense Without having to hire another editor editors can't fix a marketing issue within your story Without having to change your writing style Without having to do what everyone else says is the only thing that's selling right now Editing For Marketability is new and different It's an advanced approach to writing to market that breaks down why books sell based on persuasive writing techniques found across storytelling branding psychology public relations and marketing And yes it applies readily to novels I share the how in the book When you practice marketability editing you take your story through the Book Virality Stack a framework with six virality factors that helps you see where your book has marketing hooks and where it doesn't I teach you how to improve your marketability under each factor so you get to choose I also teach you how you can better emphasize the various hooks you already have in your book if you've already published and

don't have time for a full edit You can use this framework to Make sure your next release is written to market Fix an underperforming first in series or other reader magnet so your series starts selling better Build a breakout book from the ground up to bring visibility to your entire catalog You became a creative to express yourself and share your stories Editing For Marketability helps you connect to a larger audience without sacrificing your characters plot or autonomy over your work
