Atravesados Trevor Boffone, Cristina Herrera, 2025-02-17 Contributions by Frederick Luis Aldama Trevor Boffone T Jackie Cuevas Cristina Herrera Alexander Lalama Angel Daniel Matos Regina Marie Mills Joseph Isaac Miranda Jesus Monta o Domino Renee P rez Regan Postma Monta o Cristina Rhodes and Sonia Alejandra Rodr guez *Atravesados* Essays on Queer Latinx Young Adult Literature shows how Latinx queer YA writers discard the same old story and offer critical representations of queerness that broaden YA writing and insist on the presence of queer teens of color. *Atravesados* draws on foundational Chicana queer theorist Gloria Anzald a's notion of *atravesados* to speak to the spectrum of queer youth Latinidades as they materialize in YA literature. Los *atravesados* according to Anzald a are the squint eyed the perverse the queer the troublesome the mongrel the mulato the half breed the half dead in short those who cross over pass over or through the confines of the normal. Los *atravesados* reside in the borderlands space of ni de aqu ni de all neither here nor there present yet liminal their queerness the very source of both frustration and empowerment a paradox of joy and tragedy. Although written in 1987 Anzald a's theory speaks to the realities of queer Latinx teens that fill the pages of YA literature well into the twenty first century. Characters such as Juliet from Gabby Rivera's *Juliet Takes a Breath* Aaron from Adam Silvera's *More Happy Than Not* or the titular Chulito from Charles Rice Gonzales's novel encompass the highs lows and everything in betweenness of queer Latinx teen lived experiences. This collection tells their stories. Contributors speak to the spectrum of queer youth Latinidades as they materialize in YA literature paying close attention to representation and the ways youth are portrayed whether accurate or stereotypical. Close attention is paid to books that succeed in broadening the field of YA highlighting authors that draw from their own lived experiences and situate strong fully developed characters. Taken together these essays move beyond the page explaining to readers why representation and authenticity matter in YA literature as well as the far reaching effects they can have for real world queer Latinx teens.

Michelle Brandon, 2025-07-22 An irresistible, juicy contemporary novel based on the TikTok phenomenon BamaRushTok about four sorority sisters brought back to the top tier house they ruled at the University of Alabama when secrets they'd thought long buried threaten to resurface. Four sorority sisters. Each with dark secrets. They must stop the unexpected opening of a time capsule created as part of a sorority rush ritual that was supposed to hold their deepest secrets buried forever. Five years after they thought they'd said goodbye forever, a group of sorority sisters find themselves back at the University of Alabama for Rush Week. Some return to rekindle their friendships, and others to keep long silent secrets from being exhumed. Unbeknownst to them at the time, the infamous Spill Book they wrote confessions in as a trust hazing exercise over the years was placed into a time capsule; now it's been stolen, and the anonymous thief is threatening to expose them all on Bid Day. Rush Week is a juicy, wild drama packed with good and not-so-good girls behaving badly, dark humor, and sexy scandals. As the sisters navigate their present and not-so-distant past, unbreakable bonds of friendship are put to the test, and regrettable mistakes threaten to change everything if exposed. But perhaps, if they confess their sins to each other, they can begin to mend not only themselves but their sisterhood before the world finds out just how wicked they are.
