**I Used to Be Gifted** Mark Hess, 2022-11-29 In his new book *I Used to Be Gifted* Understanding Nurturing and Teaching Gifted Learners at Home and in the Classroom Stories and Lessons from a Lifetime long time educator Mark Hess helps teachers and parents understand and nurture gifted learners and even perhaps in the process themselves by offering anecdotes research from experts in the field practical guides lesson plans and units and observations from 34 years in K 12 education The opening chapters will help the reader understand gifted children with stories that are sometimes lighthearted sometimes tugging on heartstrings but always relatable and true Through stories readers are invited inside the experiences of giftedness organically and congenially as if they were visiting on the author's back porch Sit down and chat about these kids we love Have a cookie A glass of wine But this book is so much more than a series of stories and an amused chuckle here and there The stories are tied to research and observations from experts in gifted education and through a lifetime of the author's own readings in the field In understanding our gifted learners we hope to understand how to nurture them as well *I Used to Be Gifted* provides the practical advice so desperately needed by teachers and parents on a daily basis It contains four units for gifted learners appropriate for both home and school two social emotional units focused specifically on meeting the needs of gifted boys and girls an engaging hands on unit that spans the curriculum for our highly visual Generation Z students and a series of differentiated menus which can be used by either gifted resource teachers or teachers in the regular classroom All are kid tested developed and refined over the years in the author's classrooms

elementary and middle school In addition links are provided to a wealth of free resources provided by the author The section containing these units contains ready to print activities that can be used right away Additionally Mr Hess takes the lead in exploring the lives of our younger generation of school children by dedicating an entire chapter to Generation Z and giftedness

**Global Literary Studies** Diana Roig-Sanz,Neus Rotger,2022-12-05 While the very existence of global literary studies as an institutionalised field is not yet fully established the global turn in various disciplines in the humanities and the social sciences has been gaining traction in recent years This book aims to contribute to the field of global literary studies with a more inclusive and decentralising approach Specifically it responds to a double demand the need for expanding openness to other ways of seeing the global literary space by including multiple literary and cultural traditions and other interdisciplinary perspectives in the discussion and the need for conceptual models and different case studies that will help develop a global approach in four key avenues of research global translation flows and translation policies the post 1989 novel as a global form global literary environments and a global perspective on film and cinema history Gathering contributions from international scholars with expertise in various areas of research the volume is structured around five target concepts space scale time connectivity and agency We also take gender and LGBTQ perspectives as well as a digital approach

**Enjoy Self-publishing** Patty Jansen,2024-12-03 I ve self published for over ten years I ve seen the industry start take off and mature I ve seen tactics companies and people come and go However over that time a few important principles have always held true but in the morass of advice of varying quality it can be hard to separate the wheat from the chaff In 2017 I wrote the Unboxed books a series of four books about how to publish sustainably and by that I mean in a manner so that you can keep doing it long term and how to use your mailing list to set up a self perpetuating sales vehicle While the strategies haven t changed many of the peripheral situations have In short we have far more and better tools but far more competition not only from other authors on the sales front but also from services that entice us to spend ever more money before we publish This book is my ultimate guide to what you need what you can try and what is likely to be a waste of your money and time Over more than 500 pages I talk about the unvarnished experience of self publishing and selling books while keeping control of my catalogue and not funding anyone s private jet in advertising costs I wrote this book to pay it forward to the community I don t sell courses I don t do affiliate marketing I have no vested interest in anyone s self publishing journey Except for this I want you to enjoy it

**The Case Against the Sexual Revolution** Louise Perry,2022-05-16 Ditching the stuffy hang ups and benighted sexual traditionalism of the past is an unambiguously positive thing The sexual revolution has liberated us to enjoy a heady mixture of erotic freedom and personal autonomy Right Wrong argues Louise Perry in her provocative new book Although it would be neither possible nor desirable to turn the clock back to a world of pre 60s sexual mores she argues that the amoral libertinism and callous disenchantment of liberal feminism and our contemporary hypersexualised culture represent more loss than gain The main winners from a world of rough sex hook

up culture and ubiquitous porn where anything goes and only consent matters are a tiny minority of high status men not the women forced to accommodate the excesses of male lust While dispensing sage advice to the generations paying the price for these excesses she makes a passionate case for a new sexual culture built around dignity virtue and restraint This counter cultural polemic from one of the most exciting young voices in contemporary feminism should be read by all men and women uneasy about the mindless orthodoxies of our ultra liberal era Also available as an audiobook narrated by the author
