Post-Apocalyptic Cultures Julia Urabayan, Jorge León Casero, 2024-03-19 This book advocates for the necessity of recovering the value of utopias as political projects that open new channels of action The criticism of modern political utopias is based on the supposed impossibility of creating for the future because there is no longer a future apocalyptic ideology However this edited collection seeks to show that the post apocalyptic world in which we live entails a renewed freedom of design for the radical reorganization of institutions Post apocalyptic cultures are not obligated to follow the capitalist anthropocentric correlationist and sovereign modes of the old political project of emancipation the Western enlightenment that has started to collapse With this in mind this book is divided into four sections dedicated to the main themes from which to rethink the projects of political emancipation that are possible nowadays technopolitics posthumanist biopolitics non western politics and the crossover between arts and politics

The Routledge Introduction to Canadian Crime Fiction Pamela Bedore, 2024-02-27 Who are the most important Canadian crime and detective writers How do they help represent Canada as a nation How do they distinguish Canada's approach to questions of crime detection and social justice from those of other countries The Routledge Introduction to Canadian Crime Fiction provides a much needed investigation into how crime and detection have been and will be represented within Canada's national literature with an attention to contemporary popular and literary texts The book draws together a representative set of established Canadian authors who would appear in most courses on Canadian crime and detective fiction while also introducing a few authors less established in the field Ultimately the book argues that crime fiction is a space of enormously productive hybridity that offers fresh new approaches to considering questions of national identity gender race sexuality and even genre

Science Fiction and Contemporary British Theatre Ian Farnell, 2025-07-24 Analysing an expanding body of theatre and performance works *Science Fiction and Contemporary British Theatre* examines how the themes and images of science fiction are enabling practitioners to intervene on the most urgent social and political issues of the present moment By exploring the genre's impact on the live theatrical event the book presents an original and topical interrogation of issues that remain at the heart of the national and global political agenda including military conflict social injustice economic inequality migration nationhood anti democratic populism and climate collapse The author draws upon a wide range of dramatic forms from critically acclaimed plays by writers such as Alistair McDowall Caryl Churchill Dawn King Anne Washburn and Ella Road to

devised work site specific performance Shakespearean drama and physical theatre The book's chapters are based on some of the genre's most resonant images including post apocalyptic wildernesses dystopian regimes and artificial lifeforms Furthermore by placing examples in dialogue with a range of theories and scholars this book constructs an innovative interdisciplinary framework comprised of theatre studies sociology philosophy economic and political science Providing an engagingly written intellectually rich and uniquely compelling analysis *Science Fiction and Contemporary British Theatre* charts a new and growing landscape of scholarly research and establishes science fiction as an exciting expanding and urgent dramatic and political practice *Routledge Handbook of Counter-Narratives* Klarissa Lueg, Marianne Wolff
