Global Trend Myth Retelling Novel:

Resistance and Literature in a Global Context Prakash Chandra Pradhan,2025-02-24 The comprehensive volume delves into the discursive valences and contingencies of resistance. It examines key issues and situations within the complex power dynamics of various cultures, societies, nations, and ethnicities. It explores the varying meanings of resistance in different contexts with analyses of select literary texts from various works of literature worldwide that range from Tribal writings in English and Nepalese literature to British literature and American literature. It evaluates various factors including structure, situation, context, culture, agency, place, motives, ideology, and oppression within the discourse of resistance. It emphasizes the cultural relevance of the study of resistance across a range of fields such as postcolonialism, feminism, ecocriticism, gender relations, and sexuality. Myth and folklore, existentialism, cultural studies, rural feminism, trauma theory, and violence, globalization, ethnicity, and identity, child trafficking, and third gender issues, subalternity, and marginality. The book covers the genres of novels, poetry, autobiography, and short stories. It investigates the potency of these literary forms as cultural expressions of resistance. It is an essential read for students, researchers, and teachers worldwide who are enthusiastic and curious about the meanings and contexts of resistance and its representations in literature.

Comics and Graphic Novels - International Perspectives, Education, and Culture Adam Attwood,2024-09-11 Comics and graphic novels are important components of popular culture and have international influence. They engage readers across all age groups and across fiction and non-fiction genres. They address many cultural and social ideas, histories, languages, and concepts with engaging stories and narratives. This book provides international perspectives on comics and graphic novels in various contexts for education that may inform social cognition, curriculum theory, and cultural studies. Interdisciplinary perspectives are highlighted to showcase research theory and practices in the use of comics and graphic novels. Complexity within this genre is discussed to provide new and updated perspectives on the theory and practice of comics and graphic novels for their reflection of and influence on culture, their multimodal role in content area literacy, and their influence across social contexts.

[The Facts on File Companion to the World Novel](#) Michael Sollars, Arbolina Llamas Jennings, 2008 [World Literature Decentered](#) Ian Almond, 2021-07-13 What would world literature look like if we stopped referring to the West? Starting with the provocative premise that the West is ten percent of the planet, *World Literature Decentered* is the first book to decenter Eurocentric discourses of global

literature and global history not just by deconstructing or historicizing them but by actively providing an alternative Looking at a series of themes across three literatures Mexico Turkey and Bengal the book examines hotels melancholy orientalism femicide and the ghost story in a series of literary traditions outside the West The non West the book argues is no fringe group or token minority in need of attention on the contrary it constitutes the overwhelming majority of this world
