*Literature and Social Media* Bronwen Thomas, 2020-01-31 From Instapoetry to BookTube contemporary literary cultures and practices are increasingly intertwined with social media. In this lively and wide ranging study Bronwen Thomas explores how social media provides new ways of connecting with and rediscovering established literary works and authors while also facilitating the emergence of unique and distinctive forms of creative expression. The book takes a 360 approach to the subject combining analysis of current forms and practices with an examination of how social media fosters ongoing collaborative discourse amongst both informal and formal literary networks and demonstrating how the participatory practices of social media have the potential to radically transform how literature is produced shared and circulated. The first study of its kind to focus specifically on social media *Literature and Social Media* provides a timely and engaging account of the state of the art while interrogating the rhetoric that so often accompanies discussion of the new in this context.

30-Day Reading Challenge Laneshia Lamb, 2018-02-06 As an education enthusiast writing mentor and author Laneshia Lamb is excited to commemorate National Reading Month with a 30 Day Reading and Writing Challenge. Comprehension continues to be a concern in classrooms across the country and Laneshia believes practice builds performance. To aid children in their practice she created this journal. The interior has space for 30 different book titles and summaries. The overall objective is to encourage daily reading and writing. It's common knowledge that impacts are made through connection. The children are asked to connect the stories they read to their own lives and experiences. It is in the repeated connecting of text to personal experience that children will begin to critically think and ultimately comprehend. *The Ultimate Reading Challenge for Kids!* Weldon Owen, 2023-05-02 Following the original runaway hit *The Ultimate Reading Challenge* comes this beautiful portfolio that deepens and expands a child's love of reading with 15 unique challenges and cool prizes.
