Lecture 105, Dirasat 1969** Maximilien De Lafayette, 2015-04 Published by Times Square Press New York Humans follow certain calendars The most common one is the Gregorian Calendar which is a reflection of the Christian faith It is younger than the Muslim calendar which in turn is younger than the Jewish calendar All of these are considerably younger than the Ulema and the Rouhaniyiin calendar which is the only one used by the Rouhaniyiin and Ulema The Enlightened Masters reject the idea that the week consists of seven days Their week consists of four days corresponding to certain days of our week These are the only days to use in this technique and the other three days in our week should not be considered The importance of these days is the relationship between the person and the hours in each day Using the calendar of the Rouhaniyiin and Ulema each person can find the luckiest hour of his or her week according to the Book of Ramadosh Rama Dosh **Take Control of Calendar and Reminders, 3rd Edition** Scholle McFarland, 2021 Manage your schedule more effectively using Calendar and Reminders Version 3.0 updated January 26 2021 Learn how to unlock the full potential of Apple's Calendar and Reminders In Take Control of Calendar and Reminders Mac expert Scholle McFarland helps you get the most out of these apps showing you how to customize them sync data across devices and share meeting invitations and reminder lists You'll also learn how to use Siri as a shortcut and how to fix common problems In the days before personal computers and mobile devices we had to rely on paper calendars and to do lists to help us organize our time and activities Now we have powerful tools like Apple's Calendar and Reminders that are much more responsive to our needs Put an event on your schedule invite others to join or set yourself an alarm or more than one Or keep a list of to do items add to it and view it on all your Apple devices and share your list with family or friends In this book veteran Mac journalist and editor Scholle McFarland will guide you through getting to know these incredibly helpful apps including lesser known but handy features For example did you know that in Calendar you can set an alert for when you need to leave for an event based on the travel time calculated using the location you entered for the event Or that Reminders can prompt you to do something not only at a certain time but also

once you've reached a specific destination like the grocery store. If you've never taken the opportunity to explore Calendar and Reminders, this book will show you how to make them an important part of your daily routine. If you've already been using Calendar and Reminders, you'll learn how to use them more effectively, troubleshoot common problems, and delve deeper into their capabilities. This fully revised third edition is now fully up to date with Big Sur and iOS 14/iPadOS 14, and it has been expanded with new topics and additional tips. Let Scholle walk you through how to get the best out of Calendar and Reminders, including how to customize Calendar to your liking, from setting time zones to color-coding specific calendars. Create events, making them repeat at regular intervals or on certain dates. Set up notifications and alerts so you never miss an event. Invite people to events or share your calendar with them. Create, manage, and share lists in Reminders. Set alarms in Reminders at a certain time or a certain place. Use Siri to save time.
