**Dandelion Throne** Paige Suzanne Patno,2024 When I decided to write a fantasy romance or romantasy novel I knew it would be important to focus on what makes this novel different from others in the genre In today s leisure reading climate there is a plethora of content available to consumers usually in the form of accessible and self published titles With the oversaturation of publications in the genre Dandelion Throne has required that I be vigilant of my content to ensure I m contributing something new to the genre There are several common practices in fantasy writing I want to challenge in Dandelion Throne so I selected several touchstone pieces to draw inspiration from and or challenge when outlining and writing the novel As a writer it is important to pay attention to what books are popular in the genre I am writing Because of this I wanted to use Sarah J Maas A Court of Thorns and Roses series or ACOTAR as one of my touchstones I enjoy reading these novels but I also find glaring issues in the content that I wanted to challenge in Dandelion Throne I also decided to use Erika Johansen s Queen of the Tearling trilogy as another touchstone because her protagonist is well developed well written and would serve me well for inspiration writing a royal character Johansen s series manages to be both politically charged and accessible reading I admire the protagonist s keen skills in politics and diplomacy and thought it would serve me well when it came to writing about my protagonist s place on the throne My project is not a political fantasy but with my protagonist being in a royal role I want to be competent at writing political undertones and subplots to make her place on the throne believable [Racing Hearts](#) Kiersten Fay,2018-09-16 An unexpected reunion leads to a second chance at love Vin Highgard is shocked to find the former love of his life luggage in hand ready to board his ship preparing for the infamous and universal racing competition Phase Nine He never imagined ever getting the chance to see her again not after the terrible way they d parted ways Yet here she is Can he mend her shattered heart and win her back Priya Galian s dream of running Phase Nine is nearly at hand With a mysterious invitation to join a crew captained by her trusted friend Aidan Priya has quit her job and risked the long trek across space to seize the opportunity of a lifetime only to come face to face with the man who years ago had so carelessly destroyed her heart Now she must decide if the tattered appendage behind her ribs can withstand the perilous journey alongside Vin Highgard or if she must once again walk away from everything she has ever longed for **Brayden's Mate** Kathryn Kaleigh ,2020-02-26 Taylor Stone could predict the weather with uncanny accuracy
