Technology enthusiasts interested in AI, machine learning, nanotechnology, and robotics will gain insights into how these advancements are transforming the beauty industry. Beauty influencers and marketers can also use this book to understand social media trends, e-commerce developments, and the impact of digital transformation on beauty. With its well structured approach, the book provides a blend of scientific knowledge, practical insights, and business implications, making it an essential resource for anyone involved in or passionate about the future of beauty and cosmetology.

HOW TO (NOT) BE MOTIVATED Larry Vose, HOW TO NOT BE MOTIVATED: A Satire for People Who Are Tired of Trying. The world's most

unmotivational self help book and that's exactly the point. Are you tired of toxic positivity, endless hustle culture and being told to follow your passion like it's a GPS to guaranteed success? Welcome to the brutally honest, bitingly funny and unapologetically sarcastic guide you never knew you needed. This isn't your typical self help book. There are no morning routines, vision boards or 5 AM meditations here. Just cold reality, cynical humor and a surprisingly refreshing perspective on what it means to be just okay. Inside this book, you'll learn how to Quit glorifying passion. Spoiler: passion doesn't pay rent. Let go of dream jobs and embrace decent enough ones. Stop romanticizing struggle and start enjoying stability. Use mediocrity as a mental health strategy. Silence your inner motivational speaker with wit and realism. Whether you're a burned out student, a frustrated 9 to 5er or just someone who's sick of TED Talk clichés and Instagram hustle coaches, this book is your safe space. It's satire, yes, but it's also surprisingly therapeutic. What makes this book different? It tells the truth, even when it stings. It's actually funny, like laughing at how accurate it is. It's the book your cynical inner voice would write if it were published. If you've ever felt Behind in life, Tired of chasing success, Like you're failing because you don't have a passion project, then How to Demotivate Anyone will not only make you feel seen, it might actually help you feel better. Ironically, Who is this for? Fans of sarcasm, realism and brutal honesty. People who secretly hate traditional self help books. Anyone who needs to hear that good enough really is good enough. This book is your reminder that It's okay to not love your job. You're allowed to rest without earning it. Your worth isn't tied to your productivity. Reader Praise (hypothetically speaking): I laughed, I cringed, I felt exposed. 10/10. Finally a self help book that doesn't yell at me to wake up at 4 AM. Feels like therapy, but cheaper and with more memes. Keywords: for humans and algorithms alike, anti motivation, sarcastic self help, burnout, recovery, quit hustle culture, realist life advice, cynical motivation, unmotivational books, anti self improvement, give up, gracefully, satire, self help, funny, motivational book. WARNING: Reading this book may cause sudden bursts of laughter, peace of mind from lowered expectations, unexpected motivation to actually do stuff despite the title. If you're ready to stop pretending that you're manifesting abundance while secretly panicking, this book is for you. Ditch the pressure, Embrace the meh. And laugh your way through the chaos. Scroll up, click Buy Now, and start unmotivating yourself one brutally honest chapter at a time.

China in the Era of Social Media Junhao Hong, 2020-06-22. *China in the Era of Social Media* discusses how social media is changing the world in an unprecedented way through speed, scope and depth. In the last decade or so, social media in China has witnessed the most explosive growth in the world. Being the most populous nation in the world, it has the most social media users in the world as well. This book examines the current situation and unique characteristics of Chinese social media, the significance of social media in the country's social transformation and, particularly, its influences on political change in the nation. The main goal of this book is to explore how social media has been affecting and thus changing China's political system, the ruling communist ideology and the state-run media, as well as its public discourse and public opinions. Scholars of Asian studies, political science and communications will find this book particularly interesting.
