Seven Days G. Michael Hopf, 2020-09-07 THE WORLD HAS ENDED BUT A FATHER'S LOVE ENDURES When the guns went silent and the last bombs were dropped billions were lost and the world had become unrecognizable Nine years later Reid Flynn and his eight year old daughter Hannah live a protected life behind the walls and rules of their small hamlet Deliverance Life is hard there but safe or so Reid thought until Hannah showed the first symptoms of the plague Once someone was symptomatic with the plague they'd die in a week's time With the clock ticking and only the rumor of a cure a thousand miles away Reid must leave with Hannah in hopes that he'll find the cure before the end of the seventh day **The End** G. Michael Hopf, 2013-10-30 A man fights to protect his family in this postapocalyptic survival novel the first in the New World series Young Gordon Van Zandt valued duty and loyalty to country above all so after 9/11 he dropped out of college and joined the Marine Corps This idealism vanished one fateful day in a war torn city in Iraq Ten years later he is still struggling with the ghosts of his past when a new reality is thrust upon him and his family North America Europe and the Far East have all suffered a devastating Super EMP attack which causes catastrophic damage to the nation's power grid and essential infrastructures Everything from cell phones to cars to computers cease to function putting society at a standstill With civilization in chaos Gordon must fight for the limited and fast dwindling resources He knows survival requires action and cooperation with his neighbors but as the days wear on so does all sense of civility within his community and so he must make some of the most difficult decisions of his life in order to ensure his family's safety Those Who Remain G. Michael Hopf, 2016-12-30 THE FINAL CHAPTER IN THE VAN ZANDT SAGA IS HERE The war between the Republic of Cascadia and the rogue nation Western Canada is raging With support from President Cruz in the United States Gordon Van Zandt has assembled a formidable army to march north and engage the forces of Western Canada who have occupied much of the panhandle of Idaho Gordon must defeat Jacques and his army swiftly but to do so requires a final decisive battle This battle will be do or die for Gordon and his fledgling republic but is not the only problem Gordon is facing With much of his attention focused on Jacques he must also dedicate time to a political war brewing in McCall and Olympia There he'll discover his adversary is the most cunning and cut throat of any enemy he has ever faced on the battlefield When it all ends some who've stood with Gordon will be lost and those who remain pray that their sacrifices will usher in the new world they've been fighting so hard for **The After Series Box Set (Books 0-3)** Scott Nicholson, 2015 Always surprises and always entertains Jonathan Maberry V Wars A box set of four books in the bestselling AFTER post apocalyptic thriller series The After Series Books 0-3 When devastating solar storms wipe out the technological infrastructure and kill billions the few survivors struggle to adapt But some among them have changed becoming primal and violent But the mutants quickly evolve into something even more dangerous to the future of the human race Rachel Wheeler and her group of friends find themselves caught between the mysterious new tribe roving bands of scavengers and rogue military units as they carve out a

American Rebirth Evan Pickering, 2018-04-09 A Legend Caught in a Revolution A New Life That Mirrors the Past A Dark Cult Threatening to Destroy What s Left of Civilization Some things you just can t escape doesn t matter how far you run King Daryn has turned the Sons of Liberty into a war machine Texas is flooded with exiles and refugees The Church of The Redemption has come to power changing the geopolitical landscape Everything the Clearwater crew knew is gone They ve had to start a new life hidden away from it all Stealing what they can to survive But there s no safety in solitude They know that better than anyone Everything they know is about to change when they stumble upon enough silver and weaponry to buy a small army There s just one problem the people who it belonged to are about to come looking for it And a new war simmering in the dark is about to tear the country apart No matter how far they push it away they can t escape the destiny pulling them in like a gravity well After all history will not be denied its legends

Flowers of Time Mark Payne, 2020-10-27 For all of its current popularity contemporary apocalyptic fiction novels set during or after events that devastate the world as we know it is part of a long tradition that includes the Biblical story of Noah the epic of Gilgamesh and the Works and Days of the ancient Greek poet Hesiod as well as the vast array of modern examples In this short essayistic book the author focuses on twentieth and twenty first century fiction in which new forms of life emerge from catastrophe how the survivors adapt to the altered conditions of existence and the various ways in which the past asserts its claims on them both the immediate past of the

world that was lost and the deep past of prehistory and imagination that returns with this loss In Payne s view post apocalyptic fiction is political theory in fictional form Instead of producing arguments in favor of a particular form of life it shows what it would be like to live that life In a world in which there is no more capitalism and no more nation state characters have to relearn basic survival skills and return to earlier forms of social life They acquire new capabilities which bring new satisfactions they could not have anticipated in the world that is gone In the post apocalyptic world they disentangle themselves from old ways of thinking and their misconceptions of human happiness In this way Payne argues post apocalyptic fiction is the pastoral of our time The individualism and small scale social relations of post apocalyptic fiction are not naive but instead the necessary ground for choosing the freedoms and capabilities readers would want to see preserved in any future collective that might emerge from them

Escape the City Ryan Westfield,2019-10-19 The virus isn t stopping Neither are the survivors Matt Jamie and Judy have made it through the first days of the virus But that doesn t mean anything when it comes to long term survival Society has collapsed and there s no indication that it s coming back online anytime soon In the meantime elements of violence and chaos rise up threatening everyone Jamie s cousin has property up north near Santa Fe If they can get there they might be safer The only problem There s only road there with nothing but the high desert stretching out on either side They re going to be out in the open exposed slowly moving targets that anyone for miles could spot Do Matt Jamie and Judy have what it takes to brave the open road and to fight off those they encounter *Escape the City* is book 2 of *Last Pandemic* a post apocalyptic survival thriller series It deals with real people fighting for their survival every inch of the way

After London; Or, Wild England Richard Jefferies,2023 One could consider Jefferies book to be a groundbreaking piece of post apocalyptic literature After a sudden unexplained tragedy has killed out the majority of England s population the countryside returns to its natural state and those who are left choose a fairly archaic way of life The first section *The Relapse into Barbarism* is a description of the loss of civilization and its consequences by some subsequent historians It features a lovely depiction of how nature reclaimed England The second chapter named *Wild England* is an adventure that takes place in a culture and environment that are both wild and takes place many years later The book s flaws are more than made up for by the great writing notably the unsettlingly prophetic descriptions of the post apocalyptic city and countryside was released by Cassell Company in 1885 Everything became green in the first spring after London ended The novel *After London* by Richard Jefferies is considered a classic work of eco apocalyptic literature Jefferies was married in 1874 and relocated closer to London in 1877 while still writing to support his wife and two kids Though he was both unwell and penniless the years from 1882 until his death in 1887 were when he was most creative

Legacy Tom Abrahams,2018-03-10 She s small She s quiet She s deadly Lou survived the plague that killed her mother As her father sheltered her from the evil that consumed the world he taught her how to survive After an ambush leaves her orphaned the young unassuming girl put her skills to the test A wanderer every bit as brilliant as she is deadly she

forges a new path in the wilderness once known as Texas But can she do it alone LEGACY is a stand alone novel within The Traveler Series world
