William John Stevens, John A. McKinven, 1948 **Russian Cases: Conjugate Russian Nouns, Pronouns and Adjectives like a Pro** Darya Gunay, 2023-09-27 Cases are the backbone of the Russian sentence structure However for many Russian language learners cases remain a stumbling stone This is because nouns pronouns and adjectives conjugate in Russian change their endings which makes these words look different within a text The good news is you can actually learn the conjugation rules and understand the context for using each case Everything else you learn in Russian will group around cases just like the walls of a house are built on its foundation This e book will help you understand the Russian case system What is included Each chapter dedicated to a specific case describes the exact situations when each case is used Easy to use color coded conjugation tables tables with endings along with 500 examples Exercises for each case Keys to all exercises at the end of the book Bonus a text in Russian where each noun is decoded to illustrate the use of cases within phrases This way you can go back to the book chapters and review the usage This 2nd edition is significantly improved based on readers feedback tables are enlarged more examples are given A special focus is put on immediate practice short exercises at the end of each chapter along with the keys This will help you put the newly acquired knowledge into action and check if you understood everything correctly Complementary chapters give an overview of the gender system of Russian nouns and their plural forms Russian Cases Conjugate Russian Nouns Pronouns and Adjectives Like a Pro is probably the most comprehensive resource on Russian cases you may come across Keep it nearby and refer to it when necessary Happy learning *Votes and Proceedings of the Legislative Assembly* New South Wales.
