Breaking Down the Wall Margarita Espino Calderon, Maria G. Dove, Diane Staehr Fenner, Margo Gottlieb, Andrea Honigsfeld, Tonya Ward Singer, Shawn Slakk, Ivannia Soto, Debbie Zacarian, 2019-09-11 It was a dark and stormy night in Santa Barbara January 19 2017 The next day's inauguration drumroll played on the evening news Huddled around a table were nine Corwin authors and their publisher who together have devoted their careers to equity in education They couldn't change the weather they couldn't heal a fractured country but they did have the power to put their collective wisdom about EL education upon the page to ensure our multilingual learners reach their highest potential Proudly we introduce you now to the fruit of that effort Breaking Down the Wall Essential Shifts for English Learners Success In this first

of a kind collaboration teachers and leaders whether in small towns or large urban centers finally have both the research and the practical strategies to take those first steps toward excellence in educating our culturally and linguistically diverse children It s a book to be celebrated because it means we can throw away the dark glasses of deficit based approaches and see children who come to school speaking a different home language for what they really are learners with tremendous assets The authors contributions are arranged in nine chapters that become nine tenets for teachers and administrators to use as calls to actions in their own efforts to realize our English learners potential 1 From Deficit Based to Asset Based 2 From Compliance to Excellence 3 From Watering Down to Challenging 4 From Isolation to Collaboration 5 From Silence to Conversation 6 From Language to Language Literacy and Content 7 From Assessment of Learning to Assessment for and as Learning 8 From Monolingualism to Multilingualism 9 From Nobody Cares to Everyone Every Community Cares Read this book the chapters speak to one another a melodic echo of expertise classroom vignettes and steps to take To shift the status quo is neither fast nor easy but there is a clear process and it s laid out here in Breaking Down the Wall To distill it into a single line would go something like this if we can assume mutual ownership if we can connect instruction to all children s personal social cultural and linguistic identities then all students will achieve **Language of Possibility** Michael

Roberts,2022-08-12 Language can help lift or limit students Based on brain research and authentic classroom experience this book will help you get back to the optimism of teaching by reconnecting with the possibility of each student From classroom practice to systemwide policies readers will find strategies for shifting the way we approach teaching to cultivate the gifts each student has to offer Teachers and leaders will Understand how limiting language stifles student growth and academic success Utilize figures and other resources to better recognize limiting language and replace it with positive language Reflect on the culture of your own school and improve collaborative work Access and analyze data that will equip you to better handle obstacles in developing your professional learning community Improve communication among all classrooms within your school or district Contents Foreword by Anthony Muhammad Introduction Part 1 What We Say About Students Chapter 1 Talking About Underserved Students Chapter 2 Talking About Expectations for Students Chapter 3 Talking About Student Motivation Chapter 4 Talking About Student Data Part 2 What We Say About Colleagues Chapter 5 Talking About Taking Responsibility Chapter 6 Talking About Research and Best Practices Chapter 7 Talking About Teacher Individuality Chapter 8 Talking About Collaboration Chapter 9 Talking About Trust Epilogue **Feedback to Feed Forward** Amy

Tepper,Patrick Flynn,2018-06-13 Feedback that works for leadership that makes a difference As a leader you know that feedback is essential to teachers growth and development But crafting the right feedback can be daunting How do you conduct comprehensive observations accurately analyze lessons for effectiveness and develop high leverage action steps that bring lasting change to teacher practices and student outcomes This how to book designed for leaders in all roles and at all experience levels provides a dynamic yet practical leadership model focused on precisely those key tasks Features include

Comprehensive explanations of standards and descriptions of discrete core skills Explicit think alouds ready to use strategies and field tested lesson examples Evidence collection notes with templates from live observations Feedback samples across grade levels and content areas Replicable case studies for professional learning Simply inspecting teaching practice through observation might be easy providing feedback that feeds forward and promotes growth is far more challenging With this comprehensive learning tool you ll use feedback to make the most of your role as a leader of learning for both teachers and students Feedback to Feed Forward has been recognized for focusing on practices that have high effect sizes and will help you translate the groundbreaking Visible Learning research into practice When educators use strategies that have high effects greater than 0.40 they can accelerate student achievement The power of the Visible Learning research lies in helping educators understand which factors have the highest impact on student achievement so that educators can begin making strategic decisions based on evidence that will utilize their time energy and resources to the best extent possible The Visible Learning research is based on Professor John Hattie s unmatched meta analysis of more than 1 600 research reviews comprising 95 000 studies involving more than 300 million students the world s largest evidence base on what works best in schools to improve student learning From that research Dr Hattie identified more than 250 factors that have an impact on student achievement
