amalgamate some of the less demanding days or take longer route options. Mostly well signed and on good paths the route requires no technical mountain skills or glacier crossings though there are some exposed sections and a good level of fitness is needed. This established guide to the popular trek has been updated to reflect changes to the route and improved waymarking. On the final stage it crosses the world's longest pedestrian suspension bridge which has been created on the exciting Europaweg above the Mattertal. Every stage has its own special attributes adding up to a walk of classic proportions. The guidebook provides clear route descriptions and mapping for each stage of the trek along with notes on travel accommodation and preparing for the trek. A list of useful contacts, detailed bibliography and a glossary are also included.
