Kindergarten and First Grade ,1919    The Kindergarten and First Grade ,1919    Decentring Leadership Christine Grice,Amanda Lizier,Susanne Francisco,2024-02-22 This book is about the practices of leading and their arrangements in a range of contemporary educational contexts It seeks to shift the traditional individual and role based educational leadership narrative to more transformational shared and ongoing practices between people thereby decentring leadership In this volume contributors consider leading from a practice perspective across a range of educational contexts Focusing on leading rather than leadership they examine how educational leaders lead through decentring from a range of positions and across a

range of educational sectors from schools to higher education Chapters attend to the practices of leading to decentre normative traditional notions of leadership that focus on the individual leader as the unit of study They draw on the theory of practice architectures to understand leading as a shared and ongoing process rather than as an individual act This growing body of work that uses the theory of practice architectures TPA is disrupting people's thinking towards leading as a practice Focusing on practices and their arrangements shifts the traditional role based educational leadership narrative to the more transformational elements of practice architectures in thinking about leading in contemporary contexts Decentring Leadership will be a key resource for practitioners and researchers of education leadership and policy educational administration educational research educational studies and sociology It was originally published as a special issue of the Journal of Educational Administration and History    **The American Normal Readers** May Louise Harvey,1907

Reading Roger Beard,2022-10-20 The field of reading is a compelling one characterised by many debates and discussions It is also amenable to investigations through a range of theories and research studies In this book eight leading authorities provide a state of the art overview of reading using perspectives that have informed their work There are overviews from linguistic psychological sociological and literary viewpoints as well as more hybrid ones from investigations of digital literacy and multi modality This book celebrates what has already been achieved by bridging research scholarship and practice it also suggests what still needs to be done to bring the positive rewards from reading to greater numbers of young people It also recognises that the benefits of reading extend beyond the personal Accomplished reading skills empower people to meet the challenges of everyday life making decisions solving problems and dealing with unexpected events The need to refresh and renew our knowledge of reading has gained further impetus in the information age New technologies for information and communication continually appear manifestations of fake news disinformation and conspiracy theories spread rapidly across the globe The book underlines the importance not only of reading but also the fact that reading between and beyond the lines is more important than ever in print and across multiple media platforms The chapters in this book were originally published as a special issue of Education 3 13 International Journal of Primary Elementary and Early Years Education    *Best Practice* Steven Zemelman,Harvey Daniels,Arthur A. Hyde,1998 In this extensively revised and expanded second edition we find updated descriptions of progressive teaching in six subject areas reading writing mathematics science social studies and the arts    Resources in Education ,1989    *The Utah Educational Review* ,1922    **Raising Standards in Literacy** Greg Brooks,Ros Fisher,Maureen Lewis,2003-09-02 Raising Standards in Literacy represents the best current thinking and research about literacy The book is the outcome of a high profile series of seminars on raising standards in literacy and includes contributions from an impressive group of international researchers and policymakers By offering a rich and unique mix of contemporary perspectives on literacy education this book provides an invaluable source of study and insight into the latest research and developments in the teaching of literacy It includes sections on how research into literacy teaching can

inform new approaches found in England the USA and Australia the ways in which literacy education is developing in England the USA and Australia the issues involved in assessing progress in literacy and the validity of research claims made about standards of attainment The book celebrates the apparent success of current literacy initiatives at the same time as raising questions about the feasibility and relevance of such initiatives to the literacy co ordinators and consultants and for all those undertaking further study or research in literacy education Bibliographic Guide to Education ,2001 lists publications cataloged by Teachers College Columbia University supplemented by The Research Libraries of The New York Public Library **Popular Educator** ,1911 *Wisconsin Journal of Education* ,1920 **Houghton Mifflin Reading** David J. Cooper,2003 **Bulletin** ,1917 *Primary Education* ,1897 **Best Practices in Literacy Instruction, Third Edition** Linda B. Gambrell,Lesley Mandel Morrow,Michael Pressley,2007 Now in a thoroughly revised and expanded third edition this evidence based book distills the latest knowledge about literacy teaching and learning into clear strategies for helping all children succeed Within a comprehensive conceptual framework the field s leading authorities provide eminently practical recommendations to guide instructional decision making The third edition has been fully updated with current research findings policy issues and program innovations It offers significantly revised coverage of assessment motivation approaches to integrating different kinds of texts and multimedia resources and adolescent literacy New chapters address working with English language learners and supporting teachers professional development Also featured is a new concluding commentary by Michael Pressley
