Vegetarian meets Heathers in this darkly funny seductively strange novel from the acclaimed author of *13 Ways of Looking at a Fat Girl* and *Rouge*. We were just these innocent girls in the night trying to make something beautiful. We nearly died. We very nearly did. Didn't we? Samantha Heather Mackey couldn't be more of an outsider in her small, highly selective MFA program at New England's Warren University. A scholarship student who prefers the company of her dark imagination to that of most people, she is utterly repelled by the rest of her fiction writing cohort, a clique of unbearably twee rich girls who call each other Bunny and seem to move and speak as one. But everything changes when Samantha receives an invitation to the Bunnies' fabled Smut Salon and finds herself inexplicably drawn to their front door, ditching her only friend Ava in the process. As Samantha plunges deeper and deeper into the Bunnies' sinister yet saccharine world, beginning to take part in the ritualistic off-campus Workshop where they conjure their monstrous creations, the edges of reality begin to blur. Soon her friendships with Ava and the Bunnies will be brought into deadly collision. The spellbinding new novel from one of our most fearless chroniclers of the female experience, *Bunny* is a down-the-rabbit-hole tale of loneliness and belonging, friendship and desire, and the fantastic and terrible power of the imagination. Named a Best Book of 2019 by TIME, Vogue, Electric Literature, and The New York Public Library.

Second First Impressions Sally Thorne, 2021-03-31 Ruthie Midona will work in Providence's front office and be at the Parlone's beck and call forever. That's sort of her life plan. If Ruthie can run the place in her almost-retired boss's absence with no hijinks, hiccups, she has a shot at becoming the new manager. She might also be able to defend her safe little world from Prescott Development, the new buyer of the prime site. Teddy Prescott devotes his life to sleeping, tattooing, and avoiding seriousness. When Teddy needs a place to crash, he makes a deal with his developer dad. Teddy can stay in one of Providence's on-site maintenance cottages right next door to an unimpressed Ruthie, but only if he works there and starts to grow up. Ruthie knows how this sweetly selfish rich boy can earn his keep and be out of her hair in under a week. After all, there is a position vacant.
