innovators creative thinkers and problem solvers But what if they can t communicate their ideas persuasively Knowing how to share ideas is as crucial as the ideas themselves Unfortunately many students don t get explicit opportunities to hone this skill Cultivating Communication in the Classroom will help educators design authentic learning experiences that allow students to practice their skills Readers will find Real world insights into how students will be expected to communicate in their future careers and education Strategies for teaching communication skills throughout the curriculum Communication

Catchers for igniting ideas *Literature and Social Media* Bronwen Thomas,2020-01-31 From Instapoetry to BookTube

contemporary literary cultures and practices are increasingly intertwined with social media In this lively and wide ranging study Bronwen Thomas explores how social media provides new ways of connecting with and rediscovering established literary works and authors while also facilitating the emergence of unique and distinctive forms of creative expression The book takes a 360 approach to the subject combining analysis of current forms and practices with an examination of how social media fosters ongoing collaborative discourse amongst both informal and formal literary networks and demonstrating how the participatory practices of social media have the potential to radically transform how literature is produced shared and circulated The first study of its kind to focus specifically on social media Literature and Social Media provides a timely and engaging account of the state of the art while interrogating the rhetoric that so often accompanies discussion of the new in this context
