

Investing Simplified: A Guide for Everyone

An all-inclusive template for focusing in on your investment goals — whatever they may be!

A. Getting Started

Step 1 Plan out your investment goals + budget

This template is meant to both encourage beginner investors and supplement those of you experienced money makers with ideas on making the most of your investments. Think carefully about what your budget and motivations are for investing. For example, are you planning on purchasing your first home in 5 years, ensuring you can retire before 65, or just want to see how much your money can grow? 🤔

Step 2 Start the process by filling out the table

Fill in with the rows of the table based on your portfolio of investment motivations. Consider your personal budget, the purpose which will be used to assess your risk appetite and desired strategies of your investment, and acceptable funds you would be happy with. This can range from the safety of government bonds, flexibility of ETFs, and more. You can add or add a new row. ➕ in the table to fill this out, and the columns that need to be filled in are colored in grey. Press the  next to the suggested columns to see how to
