## Chastity Training Guide:

**Male Chastity Keyholder Guide** Mistress Dede, 2015-01-08 There is a lot of variety in the world of fetish and kink with limitless possibilities for creativity in sensual play. Many people unfamiliar with this lifestyle immediately focus on the more obvious or superficial aspects like honorific nicknames or corsets and leather boots. But for people who participate in fetishes as a lifestyle the practices and games are an essential part of their relationship with its own set of rules and standards. One particularly interesting subculture within the world of kink is that of the female keyholder and her chastised male subordinate. The phrase male chastity probably immediate spooks some men or excites others whether they are willing to admit it or not. Either attitude is amusing to the sophisticated woman with a predilection for domination and control. For submissive men there are many benefits to a male chastity arrangement. The calculating domme will use all of her feminine charms to her advantage establishing a system of rules meant to keep her man under lock and key. Literally. The popularity of male chastity devices has soared in recent years and although this be taboo it's something many people talk about behind closed doors. Conveniently hidden under clothes male chastity devices provide necessary restriction for the man and allowing his dominant complete control over his orgasms. These devices are a valuable tool for the modern dominant woman and excellent for contemporary tease and denial games. Exploring male chastity can be a fun new game for adventurous couples or a complete long term lifestyle for kinky pairs. Whatever the relationship type employing a male chastity device sends a clear message he's on lockdown and she holds the key.

The Ultimate Woman's Guide to Male Chastity Mistress Dede, 2015-11-26 If you are reading this book you are most probably a woman interested in broaching the matter of male chastity. You see this book is all about male chastity in other words self control. The question is how exactly can this male chastity thing help you and your partner's sex life. You are probably confused and you don't have to worry for you are not alone in this. This book will help you understand the idea of male chastity and learn about the sexual fantasies that might seem dirty and unappealing to you now but could possibly save your sex life. You will learn what the male chastity subject is all about the erotic fantasy of submitting to wearing a chastity device and the value of your man in a sexual prison in your relationship. At first the idea of locking your partner's male organ in a device seem strange to you. But overtime you will find that your partner sees this thing in an altogether new perspective something that is attractive and quite exciting for him. To some forceful prevention of erection and orgasm may definitely seem odd but there are men who find it very arousing. Getting started is sometimes difficult and the Internet provides you with lots of information that is mostly filled with fantasy over fact. This is because most of those writings are written by men as an outlet to let out their kinky fantasies. It is nothing more than

erotic web fantasies that are much too complicated and bizarre for many women's tastes. You are likely to get turned off by these thinking that the whole male chastity thing is not for you. However in this book we assure you that the subject of male chastity is explained and directed to helping you understand the entire concept in full light. It is all about using the male chastity game to rekindle the fire in your sex life for enjoying a much better relationship with your partner. *Catalog of Copyright Entries.
