### **Strategic Board Recruitment** Robert W. Kile, J. Michael Loscavio, 1996

Board recruitment is one of the most important and least understood functions of nonprofit boards The search for new members often involves well intentioned volunteers with little or no recruiting experience contacting well intentioned candidates with little or no board experience Such an approach to board recruitment is too limited in today's competitive nonprofit environment where leadership, fund raising, diversity, and vision are needed more than ever The eight step Strategic Board Recruitment model is based on the systems and techniques used by executive search professionals it has been tailored to guide nonprofits in their ongoing efforts to strengthen their boards This model provides a framework for executing and institutionalizing a results oriented recruitment process

### Landscape Architecture in the Arab Middle East Beata

Dreksler, Jala Makhzoumi, 2025-09-30 This book explores the challenges facing landscape architecture in the Middle East It supports the idea that landscape is a multifaceted idea and examines landscapes architecture as an emerging profession in the region The book also responds to the limitations of faulty translations of the English landscape that in turn limit the professional potential in the region The authors of the book see landscape as a way of beholding the world that is informed by place and culture And because landscape is context specific a landscape framing contextualizes a problem be it community development, tourism or nature conservation to foster place and culture responsive perspectives The nine chapters are grouped under four broad themes that reflect the multifaceted expansive framing that embraces landscape, natural and cultural heritage, people and livelihoods and landscape and human rights The authors recognize that a landscape framing is not the exclusive domain of landscape architecture but can be applied by architects, planners and environmentalists The ideas advanced and issues discussed will be of interest to researchers, students and practitioners in
