**The Conversations of Jesus** Simon J. Kistemaker,2004-10-01 Through Scripture and spoken word Jesus continues to attract millions of followers today In many ways those who seek Christ now differ little from those whose stories we learn in the Gospels Peter Nicodemus Mary the Samaritan leper even Judas Professor Simon J Kistemaker has spent his professional life studying the words and actions of those who spent time with Jesus In The Conversations of Jesus he offers a glimpse into the lives of those who were touched by encounters with Jesus Christ Readers will find much in common with these first century people including their feelings of inadequacy confusion and joy at meeting the Savior Ideal for laypersons and pastors The Conversations of Jesus helps readers strengthen their walks with Christ as they learn about others who have walked this path before

**Conversations with Jesus Christ from the Gospel of John** Marilyn Kunz,Catherine

Schell,1960 **Let Me Ask You a Question** Matthew Croasmun,2018-07-01 We often think of Jesus as someone with all the answers But over and over in scripture he asks questions seeking to engage with people and genuinely interested in their responses Matthew Croasmun challenges readers to consider this book as an experiment an opportunity to see whether God is real He invites us to enter into conversation with Jesus by answering the questions Jesus asks in scripture The goal is not to come up with what we think are the right answers but to respond honestly to Jesus questions Each chapter of this six week study contains five readings Each reading follows this format A Bible passage with a question Jesus asks in bold type A short reflection designed to help you engage with Jesus question as he asked it in the Gospels and as he asks it of you now Space for you to continue the conversation with Jesus Written in a warm encouraging style this thought provoking and imaginative book will certainly give readers entry points into conversation with God and they may find themselves experiencing a deeper relationship with the divine than they ever thought possible

Get ready to be surprised and challenged as you hear Jesus own take on the original Christmas and what it means for our world twenty centuries later. [\*\*A Sign of Contradiction : \(conversations with Jesus\)\*\*](#) G. Lawrence Smith, 2004 This book is a compilation of conversations mostly between Jesus and other protagonists in the Gospels. These stem from my what if approach concerning what actually did these people talk about during their first encounters. During the course of the conversations a little of my own beliefs that I have developed over the years are presented. These beliefs are centered in the message that Jesus espoused. There are some surprises expressed or subliminally referred to during the course of the encounters. These may or may not have happened in actuality. They just add some thought provoking moments for the reader. The aim of the book is to make Jesus story connect with the people of today in a way that is not encased in the typical scriptural language. The language of time may change but the message of Jesus remains timeless.
